

Faraday School November 2025

Stinger News

Principal's Message –

We are stronger together.

“There is no better place to create a community than in our schools – the heart of our future”.

~ Patricia Gandara **Hello**

Faraday Families!

October was another productive and engaging month of learning and growing at Faraday! Our intermediate students went to MTYP to watch a live theatre performance called Gather. After, they walked around The Forks exploring and learning more about Indigenous culture and the historical significance of The Forks.

On the 16th we had our second whole school assembly and that was led by our two grade 1 classrooms, rooms 7 and 9. We were reminded of our promises to be kind, respectful and care positively for one another and that we are all treaty people. We'd love to see more parents and caregivers out to be a part of our school assemblies. Be sure to watch our digital sign and monthly calendars for dates and times. You are welcome and we'd love for you to join us!

On November 19th students will be bringing home their term 1 report cards. Like last year, we will continue to host student led conferences that will be held on Nov.20th from 4-7 and the full day of Friday, Nov.21st. Teachers will be sending home a sheet with dates and times. Please return them so that we can schedule you and your child in for one of the two days. It is so important when we can come together to celebrate the learning of children, and more importantly that they take the lead in that with you, through them sharing their growth portfolios with you. This is always a special time, and we hope to see you then!

Winnipeg Harvest has reached out to offer our school to be a part of the Meals 2 Go Program. Starting on Friday, Nov.7th our students will receive weekly a baggie of nutritious and delicious snacks to enjoy over the weekend. We thank Winnipeg Harvest for this generous donation and support for our students!

With the colder weather setting in, please ensure that your child has a winter jacket and boots to wear. See us in the office if you'd like support with this. We are here to help in any way we can.

We strive to keep the lines of communication open with all our families and always want to work alongside you for the betterment of your child(ren). Please reach out if you have any questions or concerns. We are here and want to help. 😊

On behalf of the entire Faraday School team, we wish you a healthy and happy November.

Take care,
Mrs. Cox & Mrs. Thomas

Room 16 News!

With Mrs. Deeb Edmonds

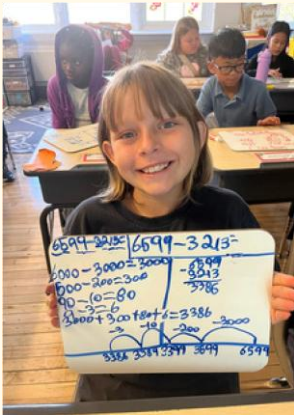

We have been busy learning new things and building a positive and welcoming classroom community!

S.T.E.A.M!

Science, Technology, Engineering,
Arts, Mathematics

Students practice the 4 Cs
(communication, collaboration,
creativity, critical thinking) while
participating in Instant Challenges

Math

Place Value structure

We are working on
adding and
subtracting 2, 3, and
4 digit numbers using
different strategies

Science

Skeletal System Bone Identification

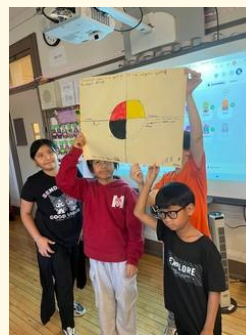

We are learning about the
Human Body Systems!

Indigenous Education

Honouring the Original Peoples of this Land

What is a Medicine Wheel? Visited the Healing Forest
at St. John's Park. Remembering those who went to
Residential Schools for Truth and Reconciliation.

Room 4 News

We have been learning to count from 0-10, extend and create patterns and sort objects by shape and colour!

We have been learning to write our names and draw pictures to represent ideas!

We have been reading stories and non-fiction books and writing our own stories too. One of our favourites is *We Don't Eat Our Classmates!*

HELLO FROM RM 21!

LEARNING

We have started our reading groups and are working hard with reading and writing! We are so excited to share our writing at the swarm and student led conferences! In Math we have been learning about patterns, addition, subtraction and more!

NEWS

Please make sure your child has a pair of indoor shoes to change into. They stay at the school. With the weather changing soon, it really helps keep the classroom and school clean! Follow our school on Instagram! It is [@faradayschoolwsd](#)

FAMILY HELP

It is so helpful if you read with your child for at least 10 minutes, five times or more a week. All the practice helps!

KOOKUM PAM

Kookum Pam has been sharing her teachings in our class. She has come in and done the teaching for Love which is represented by the Eagle. She has also come in and done the teaching for Truth which is represented by the Turtle.

Faraday Library News

Thursday, Nov. 23rd
& Friday, Nov. 24th
during Student-Led
Conferences

FARADAY BOOK-A-PALOOZA

Get a look at our **Gigantic** set of
New Books!

(Thank you Chapters Love of Reading Grant!) Put
your favourites on hold!

THANK YOU

We would like to thank one of our families for the donation of new items for us to use at Faraday School.

Thank you Mr. Subczak. Your generosity is greatly appreciated.

HARVEST MEALS2GO!

COMING SOON!

Meals2Go is a weekend student nutrition program aimed to nourish students on the two days a week they might not have access to in-school meal programs.

Students are given a Meals2Go kit every Friday to take home for the weekend!

This program is FREE and open to all students—no registration required!
