

Hello
November

Message From Ms. Manness

As we step into November, the beauty of fall is all around us! We hope everyone enjoyed celebrating Halloween and taking part in October's activities. While the weather has been kind so far, colder days are on the way. Please ensure children are dressed warmly for outdoor play. When temperatures reach -27°C (with or without windchill), students will remain indoors for recess.

Teachers are busy preparing report cards, which will be sent home electronically on Tuesday, November 18. Parent-Teacher-Student Conferences will take place on Thursday, November 20 from 3:30–8:00 p.m. and Friday, November 21 from 9:00 a.m.–12:00 p.m. Teachers will share sign-up details soon.

We're looking forward to another great month of learning and connection. Enjoy the crisp autumn air, and thank you for your continued support!

Patrols

Our dedicated Carpathia School Patrols continue to do an outstanding job helping keep our school community safe. Each day, these responsible students guide their peers through busy areas and ensure everyone arrives and leaves safely. We appreciate their commitment, leadership, and the positive example they set for others—thank you for your hard work and care!

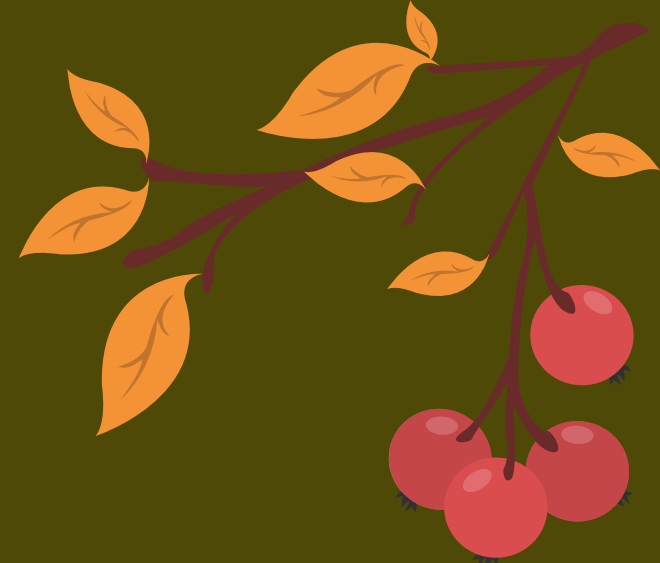

Student Council

Now in its second year, the Carpathia Student Council continues to give students a meaningful way to develop leadership skills and make a positive impact in our school community. Council members represent their classmates, share ideas, and help organize school events such as assemblies and spirit days. Through their involvement, students strengthen their teamwork, responsibility, and communication skills—building confidence and learning the value of active participation. The council continues to play an important role in shaping a positive school culture and ensuring that student voices are heard and celebrated.

RECESS LEADERS

A big thank-you to our amazing Recess Leaders! Now in its second year, this program continues to grow and make a positive impact on our playground. These enthusiastic students volunteer their recess time to promote active and inclusive play, handing out equipment such as balls, jump ropes, and other sports gear, and helping organize games that bring students together. Through their leadership, Recess Leaders create a welcoming and positive environment where everyone can have fun, stay active, and build friendships. Thank you for the energy and kindness you bring to every recess!
