IN THIS ISSUE...

- Staff & Classroom Spotlights
- Grade 6 Interviews
- Halloween
- Remembrance Day
- Hot Lunch
- Nature in the Fall
- Dressing for the Weather
- Monthly Calendar

The students, staff, and communities of Winnipeg School Division are committed to truth and reconciliation through building relationships with Mother Earth, the original peoples of this land, and the stories that bring us together. We acknowledge the place in which we gather is on Treaty 1 territory, the homeland of the Red River Métis, and the ancestral lands of the Anishinaabe, Ininiwak, and Dakota Oyate peoples.

Staff Spotlight

By: Kylie Kieu

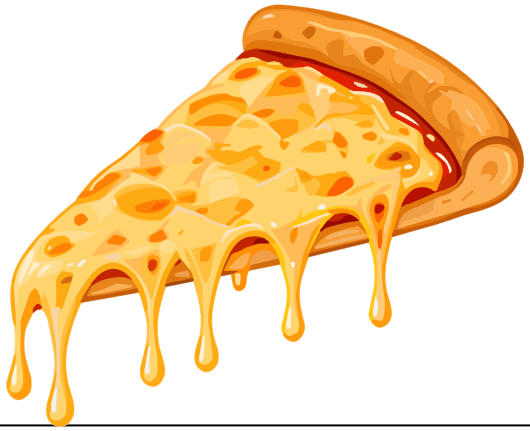

Do you know who our new secretary is? At Tyndall Park School, we have a new secretary. Her name is Ms.Laqui. She has been a secretary in many different schools! Ms.Laqui wanted to get work at Tyndall Park because her children go to this school and she heard good things about it. Ms.Laqui's job as a secretary is to order snacks for Mrs. Sikora, watch over the school, and many more things that involve a LOT of paperwork! She had never been to our school before this year. If you see or speak to Ms.Laqui, don't forget to say hello and welcome!

Hot Lunch

By: Dilmeet Lakhanpal

Have you been craving pizza? Well worry no more because we had Hot Lunch last month! For the new kids and families at Tyndall Park School, Hot Lunch is when the school orders pizza for the students. Your child's teacher will send home the Hot Lunch form. On the form, the hot lunch items are listed as well as the price for Hot Lunch! Hot Lunch happens usually every 1-2 months. If you are worried that you lost your form or if you don't know when it is, you can ask your child's teacher for another form. The date for Hot Lunch is on the form and it's also included on the monthly newsletter calendar so you won't forget!

A Note from the Editors (AKA: the Adults)

-Please note important closure dates this month and important upcoming dates! See front page or calendar for info!

-Please ensure your child is dressed appropriately for the weather now that it is cooler out. Check to see if their winter jackets, boots, etc. all fit - the snow and cold are on their way!

-Thank you to all families who supported our first Hot Lunch of the year! The funds raised from the October 22nd hot lunch day was $665.00. All funds go toward continuing to support experiential learning for students.

Nature in the Fall

By: Jillian Gambalan

Swish, swish look at the leaves falling! It’s the start of fall! Did you notice that the weather is changing? The weather is getting really chilly these days. The leaves are very beautiful. Some animals are going to a warmer place and some are finding shelter. In the fields we see an animal that’s always there. Do you know what it is? Yeah, you're right it’s a goose! Have you ever seen a goose with a silver band on its leg? Well, I certainly have!

NEW RULES FOR

E-Scooters and Other Personal Electric Vehicles

COMING IN 2027

Manitoba is introducing new rules for **Personal Electric Vehicles (PEVs)** to help keep everyone safe when sharing roads, paths and other public spaces.

What is a PEV?

In Manitoba, a PEV is a small electric vehicle for personal transportation that runs on electricity. Examples include:

Electric kick-scooters ("e-scooters")

Self-balancing scooters and hoverboards

Electric unicycles and similar devices

WHO CAN RIDE?

16+ ONLY. PEV riders must be at least 16 years old.

NO HELMET? NO RIDE.

Everyone on a PEV must wear a properly fitted helmet, including passengers (if the PEV is designed to carry a passenger).

WHERE CAN YOU RIDE?

- Roads with speed limits of **50 km/h or less** and shared paths, like bike paths
- PEVs are not allowed on sidewalks

HOW FAST CAN YOU RIDE?

- Maximum **25 km/h**

SIDEWALK RULES

NO SIDEWALKS. PEVs are not allowed on sidewalks unless there is a sign or traffic control device specifically allowing it.

OTHER RULES OF THE ROAD

When riding a PEV:

- Follow traffic signs and signals
- Use hand signals when turning or stopping
- Ride in single file
- Carry only the number of passengers the vehicle is designed for
- Don't use headphones or earphones in both ears while riding
- Turn on the front white light at night or whenever visibility is poor
- Ride as close to the right curb as practicable

PEVs MAY BE INSPECTED

Peace officers may stop and inspect a PEV and safety equipment at any time.

BE ALERT

Don't text while riding.

16+ | Helmet required | Roads ≤50 km/h
PEV ≤ 25 km/h | No sidewalks

TP Classroom Spotlight

By: Nimrit Brar

Hi, my name is Nimrit and I went to interview the Grade 1's in room 12, with their teacher Mrs. Greco. The students really enjoy being in Mrs. Greco's class because they get choice time and they have lots of fun learning. Their favorite subjects are art, math, reading, gym and music. Their favourite activities are reading easy level books, doing math and another one is playing tag in the gym. A few favourite parts of their classroom are that they have so many books to read, toys to play with and they get lots of love from their teacher! They are really good at keeping their classroom clean after crafts or when they play with toys. The students love their teacher because Mrs. Greco helps them learn and understand what she is teaching them. Some math strategies they have learned are how to solve a math problem using base ten blocks, subtraction, Rekenreks, pattern blocks, and counting on their fingers. They all love being at school full time because they learn more than they did last year. I had a fun time interviewing with room 12, they are so kind!

Interviews with Grade 6s

By: Audel De Grano

Our tradition of interviewing grade six students in their last year at Tyndall Park continues! We want to give them an opportunity to be remembered and have their time to shine. Each month, a new set of Tyndall Park grade six students will be interviewed and featured!

Aiyanah, P3

Aiyanah has been at Tyndall Park since kindergarten. She likes to play volleyball and she likes to crochet. Her favourite food is pasta. She is nervous to meet new friends in grade 7 and she will miss everyone at Tyndall Park.

Dylan has been at Tyndall Park for 5 years. His favourite food is pizza and he likes to draw. His favourite thing about school is going out for recess. Dylan feels sad to leave Tyndall Park because he is going to miss his grade 5 classmates.

Dylan, P3

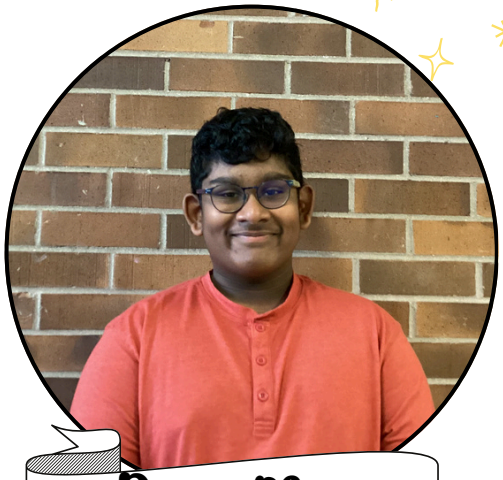

Interviews with Grade 6s Contd...

Avani, P3

Avani is excited to meet new classmates when she goes to grade 7. Her favourite hobby is video games. Her favourite food is ice cream. She also likes to play volleyball. She will miss the people in the school and the community.

Damo has been at Tyndall Park since nursery. He likes to play with his friends and he is happy to go to grade 7. His favourite sport is soccer and he likes to eat pizza. His favourite subject is Phys. Ed. He will miss his teachers.

Damo, P3

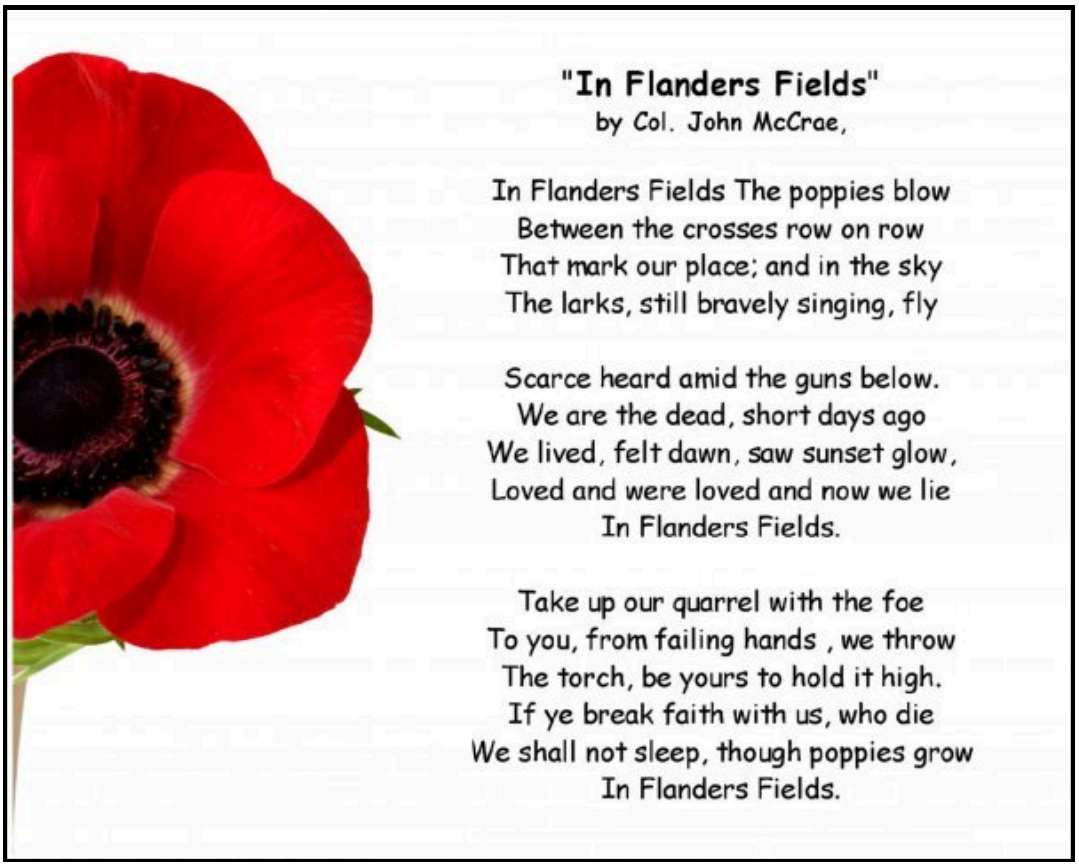

Kurt, P3

Kurt has been at Tyndall Park since nursery. His favourite sports are volleyball and basketball. He likes to eat birria tacos. One thing Kurt will miss is all of his teachers. He is excited to go to Stanley Knowles to meet new people and be in a new area.

Remembrance Day

By: Jind Gill

Remembrance Day is a day observed annually on November 11th in honour of those armed forces members who have sadly passed away in the line of duty. The first Remembrance Day was held on November 11, 1919 at the end of WW1. To honour the soldiers who fought for our country, you will see many people wearing a red poppy on the left side of their chest directly above their heart. Here at Tyndall Park School, we have a ceremony for Remembrance Day each year. Each class has two students carry a wreath of poppies to the front of the gym. Then we have our gym teacher, Ms. Dow, play the trumpet, just like soldiers would hear the bugle played during times of war, right before our two minutes of silence. On November 11th there will be no school so we can honour these soldiers. Our ceremony for staff and students will be held on November 10th. Below is a picture of a very famous poem called In Flander's Fields, written by Canadian soldier, John McCrae, during WW1. You will often heard it said at Remembrance Day ceremonies.

How To Dress for the Weather

By: Meera Villa

Do you know how to dress for the cold weather? If you don't I can tell you how because that cold weather is coming and everyone needs to be prepared!
You should wear warmer clothes like sweatpants, sweaters, hoodies, and longer pants.
Ski pants can make your legs warmer for the winter and crazy cold weather. They protect your legs from getting cold and frozen. Jackets will do the same for your upper body.
Mittens or gloves help your hands and fingers to stay warm and when you are moving around you will stay warm and protected! Boots help to keep snow and ice on your feet. When your feet are frozen, boots will help you to stay warm.
Hats and earmuffs will help your ears and head warm. They protect your head from getting cold.
Students should always have a sweater with them for when we have fire drills or in case we need to leave the building for a real emergency!
Thank you for reading! I hope you learned how to dress for the cold weather.

Halloween

By: Divit Joshi

Tyndall Park is a super fun place to be during Halloween! Everyone meets in the gym and we sit and wait for the parade to start. Then, each class walks around the gym and shows off our costumes to the whole school. After everyone is done, our gym teacher puts on some songs and everybody dances. Some of the people get in groups and make a human train or dance in a circle. It is so much fun!

Fun Fact: Halloween started over 2000 years ago. It started with the Celtic people and a festival they called Samhain (said “sow-wen”). They brought their Halloween traditions with them over time as they came to the land we now know as North America. Happy Halloween!
