**RE: Division-wide Program Student Intent Form – Action Required**

Dear Families,

In preparation for the 2026/27 school year, please complete the **Division-Wide Program Student Intent Form**: <https://bit.ly/WSDintentDW2026> if your child is currently in Grade 8 or Grade 9 and will be transitioning to a division-wide high school in September 2026. The **Division-Wide Program Student Intent Form** should be completed **as soon as possible**.

Division-wide programs are open to students across Winnipeg School Division boundaries and may be offered at specific high schools rather than your child's designated catchment area school.

Families are encouraged to explore division-wide programming by using WSD's [Find a School](#) app.

Based on your preference indicated on the form, your child will be **pre-registered** at their selected school. Families will not be required to register their child at the new school through the online student registration form.

Families of **non-resident students** (those who live outside WSD boundaries) should not complete the Division-Wide Program Student Intent Form. Instead, they must complete a **Schools of Choice online application** once it opens on **April 6, 2026**.

If your child intends to attend their designated catchment area school, no action is required and the completion of this form is not required.

Thank you for taking the time to complete this important step. Your response helps us plan effectively and ensure a smooth transition for your child.

Sincerely,

Kristine Vielfaure  
Manager of Research, Planning, and Enrolment
