May 12, 2025

Dear Families,

Winnipeg School Division is pleased to share a new online resource to help Senior Years students and their families access information about scholarships, bursaries, and awards opportunities.

The Scholarships, Bursaries, and Awards page is located under the “Student” tab on the Winnipeg School Division website: www.winnipegsd.ca/scholarships

This resource is updated regularly throughout the school year with new opportunities, important deadlines, and application information. Students should also connect regularly with their schools’ guidance counsellors, who can provide additional scholarship information and support.

Applying for scholarships, bursaries, and awards can help students reduce financial costs, while also recognizing academic achievement, community leadership, skills, and future goals. We encourage all students to explore and apply for opportunities that match their interests, criteria, and experiences.

We wish families all the best as they prepare for future educational and career pathways to success.

Sincerely,

A handwritten signature in blue ink, appearing to read "MH", followed by a horizontal line extending to the right.

Matt Henderson, Superintendent
