## Principals Message

Bonjour à tous les membres de la famille de l'école Sacré-Cœur,

I hope you all enjoyed a wonderful summer filled with rest and time with loved ones. September brings with it a renewed sense of excitement and fresh beginnings. Our classrooms are already buzzing with energy, and it is truly a joy to see our students' smiles and eagerness to learn.

This year, we remain committed to creating a safe, caring, and inclusive school environment where every child feels valued and supported. Guided by the Winnipeg School Division's strategic plan of *love, joy, and rigor*, our dedicated staff are ready to inspire, challenge, and walk alongside our students as they grow academically, socially, and emotionally.

As always, your partnership as parents, caregivers, and community members is essential to student success. Together, we can ensure that every student has the opportunity to thrive and achieve their goals. We look forward to welcoming you to our meet the teacher evening on Thursday the 11th. More information will be forthcoming.

Thank you for your continued trust and support. I wish everyone a positive, joyful, and successful school year!

Always learning,

Stéphane Gautron - Directeur

Melissa Champagne -Directrice Adjointe

## STUDENT SUPPORT PROCESS

Restorative practices can help strengthen relationships among students, families, and staff when concerns arise at school.

Let's work together to resolve matters and make sure everyone has a safe learning environment.

- 1** Speak with your child about the situation to gain their perspective.
- 2** Contact the classroom teacher. Teachers are directly involved with students and offer the best insight.
- 3** If concerns are not addressed, reach out to the school principal for support.
- 4** For ongoing issues, call the Superintendent's Department at 204-775-0231. Indicate the school you are calling about. WSD leadership will respond.
- 5** If challenges persist, contact the Board and Community Liaison Officer at 204-789-0469. They work with families and the Board of Trustees to reach a solution.
