Winnipeg School Division is honoured to be named one of Canada's Best Employers for Diversity

November 2, 2022 (Winnipeg, MB) – Winnipeg School Division (WSD) is proud to be named one of Canada's Best Employers for Diversity by Forbes, which recognizes Canadian companies with leading diversity policies and practices.

Winnipeg School Division is the only education institution from Manitoba to achieve recognition for our dedication to diversity, equity and inclusion. The 150 employers from across Canada were chosen based on criteria identified by Forbes which included the most diverse boards, executive ranks and the most proactive diversity and inclusion initiatives.

WSD values inclusiveness, diversity, sustainability, innovation and community partnerships that support students and staff. WSD is committed to the identification and removal of employment barriers and discriminatory practices at all levels within WSD.

WSD shall continue striving towards building a workforce composition which reflects the needs of students, families and school communities, and is representative of our Indigenous and racialized communities, 2SLGBTQQIA+ and persons with disabilities living within the boundaries of WSD.

WSD congratulates all employees for their dedication and commitment to promoting an equitable workplace for everyone.

As a leader in education, Winnipeg School Division is committed to continuing to explore initiatives focusing on diversity, equity and inclusion to support and promote our students and employees.
