### School mission statement

École secondaire Kelvin High School is committed to providing all students with opportunities to achieve academic excellence, self esteem and social responsibility in a safe, supportive and challenging environment. Kelvin offers experiences both in and outside of the classroom which promote reconciliation, self-discipline and independence. Kelvin encourages students to meet with hope and confidence the demands, and rewards of life after high school.

École secondaire Kelvin High School is a public high school in Winnipeg, Manitoba. The school is located in the River Heights Community and enrolls 1350 students from grades 9 to 12. It is one of 79 schools within the Winnipeg School Division.

Kelvin offers three academic programs: English Academic, French Immersion and the International Baccalaureate Programme. Teachers provide a learning environment that promotes and fosters growth in each individual student. They provide opportunities for students to develop and to extend their knowledge, skills, and values in the global world. Staff, parents and volunteers bring a spectrum of services and expertise to help ensure the success of all students. Kelvin embraces the three pillars of the Winnipeg School Division: Love, Joy and Rigour

## Priorities for 2025-2026

### **Mast 1: Positive, Supportive Learning Environment (Joy)**

Build on our positive school environment so that even more students feel a strong sense of belonging. Work together to communicate *high expectations for citizenship*. Encourage and support a healthy balance for students and staff. Facilitate mentoring for everyone.

### **Mast 2: Intellectual Engagement and Academic Achievement (Rigour)**

Continue to maintain and communicate high expectations for academic achievement for all learners. Plan our instruction and assessments to ensure that all students are curious and excited about learning. Ensure our students and staff continue to receive optimal opportunities to succeed. Students are actively learning and transferring/applying their knowledge.

### **Mast 3: Including Everyone (Love)**

Supports or interventions that are necessary to ensure success for all learners. Creative and active participation from students and staff. Extracurricular supports that we continue to offer that allow students to explore their interests and passions.

## Priorities for 2025-2026

### **Mast 1: Positive, Supportive Learning Environment (Joy)**

Build on our positive school environment so that even more students feel a strong sense of belonging. Work together to communicate *high expectations for citizenship*. Encourage and support a healthy balance for students and staff. Classroom collaborative projects, extra-curricular clubs, school events, performing arts and athletics, along with student council events provide many opportunities for students to work and to learn together, and to connect with others.

### **Mast 2: Intellectual Engagement and Academic Achievement (Rigour)**

Continue to maintain and communicate high expectations for academic achievement for all learners. Plan our instruction and assessments to ensure that all students are curious and excited about learning. Ensure our students and staff continue to receive optimal opportunities to succeed. Students are actively learning and transferring/applying their knowledge. Staff teaching practices reflect current researched pedagogy.

### **Mast 3: Including Everyone (Love)**

Academic and social-emotional supports are available to ensure success for all learners. Creative and active participation from students and staff. Extracurricular supports we continue to offer that allow students to explore their interests and passions.
