Dear Parents and Guardians/Caregivers

We would like to welcome you and your family to the new school year. We are looking forward to a successful year of learning, growth, and community at Ecole Kelvin High School.

We would like to provide an update regarding student timetables and our start-up information. Over the summer, the Winnipeg School Division transitioned to a new student management system-Power School. The transfer of student data along with student timetables is expected to be completed by tomorrow, September 3rd. Once we have access to the updated information, we will be able to send student timetables out to families along with details relating to our timetable change request process. We ask students/families to please continue to check the Kelvin website at <https://www.winnipegsd.ca/kelvin> for updates and information as it becomes available over the next few days.

At the same time, we will also send out a Welcome Package containing important information about the beginning of the school year, including important dates and grade level specific information to help students and families navigate the beginning of the school year successfully. We appreciate your patience and understanding as we complete this transition and welcome you to the new school year.

We would also like to provide an update regarding student transportation. The Province of Manitoba has announced that students will receive free bus passes for the school year. We have begun receiving the passes and will distribute them to students who require one through our Student Advisory period on Friday, September 11th.

Thank you for your patience and cooperation as we prepare for the start of the new school year. We are excited to welcome our students back and look forward to working together with families to make this a positive and successful school year!

Sincerely,
Kelvin Administration

WINNIPEG SCHOOL DIVISION
