

Snack & Water – Please pack at least two nut-free snacks for the day. Please send a reusable water bottle for your child. We have a refill station in the hallway. Bottles will be sent home at the end of the week to be cleaned.

Shoes- Please ensure your child has separate indoor and outdoor shoes. If your child is unable to tie laces, Velcro is much appreciated. Their indoor shoes must be suitable for Phys. Ed. and should be non-marking.

School Times

Entry Bell 8:50 am
Recess 10:30 – 10:45am
Lunch Begins 11:45pm
Lunch Ends 12:50 pm
Recess 2:15 – 2:30 pm
Dismissal 3:30 pm

Math Online Program

Information will be shared as accounts are set up. Please look at Seesaw for announcements in the upcoming weeks.

Seesaw

Login information will be sent home in early September.

Communication between home and school is important.

Please contact me at any point throughout the year via email. I will be using Seesaw and Google Classroom this year. Please check your email for login information for Google Classroom and home codes for Seesaw will be sent home early September.

Lunch Program

Please note that Lunch Program has limited spots this year families who are able to have their children at home for lunch are encouraged to do so. Please also note that following the WSD Code of Conduct is an important part of being respectful towards staff and peers while in Lunch Program.

Homework

Home reading for 20 minutes each evening is strongly recommended. If you would like levelled books from the school, please let me know and they will be sent home daily or weekly, depending on your child's needs. They can also use Raz Kids.

Occasionally, other work may be sent home and will be communicated to families.

Access to our math program online, such as Dreambox, will be available for student use after school schools at home once classroom codes have been issued.
