Stick to Reading Contest

Congratulations to Mrs. Greco's PM Kindergarten class who won the 'Stick to Reading' contest! The winning class had a visit from Manitoba Moose hockey players who came and read to the students for 'I Love to Read' month! Manitoba Moose Centre, Tyrel Bauer and Defense, Nicholas Jones, visited the school on February 28th to wind up 'I Love To Read' month. Each student in the winning classroom received a free book and swag bags courtesy of McNally Robinson. Thanks to McNally Robinson and the Manitoba Moose for supporting schools and talking about the importance of reading every day!

Grade 6 Drama Club Production

The Grade 6 Drama Club is back and ready to perform for the first time since 2019!

The Tyndall Park Drama students present:

A NIGHT OF IMPROVISATION!

A group of 25 performers have been strengthening their improvisation skills to create an interactive performance with audience participation! These students along with their four Grade 5 stage managers have met at lunchtime since December. Their unscripted act will make you laugh and smile as you will be amazed by their talent. The drama club is accepting donations at their performances, where part of the proceeds will go towards a donation to The Indigenous Women's Healing Centre. Grade 5 & 6 students collaborated on an Indigenous Perspective Inquiry Project this year, which led us to choose an Indigenous organization to donate to. Parents are asked to RSVP on the form sent home with performers for the date(s) they will attend.

Performances will be held in the Pit.

Matinee Performances (1:30pm)-April 11th & 12th

Evening Performance (7pm)-April 12th

Drama students and their families should read the papers sent home with more details.

Thank you to Mr. Opena and Mrs. Klassen for facilitating this program.

Welcome to our Spring Concert!

TYNDALL PARK PRESENTS
THE DAY THE CRAYONS QUIT

APRIL 20TH
MATINEE 1:15PM

EVENING 7PM (DOORS OPEN AT 6:30PM)

This spring, grades 1-4 classes and 4-6 choir are presenting a showcase of music based on the book, "The Day the Crayons Quit", by Drew Daywalt. The book is about a box of crayons that one day decide to go on strike because they are not satisfied with how they are used. The students try to find a way to solve this problem to keep the crayons happy and be able to colour again. Students have prepared a variety of songs and movement pieces to connect with the theme of the book. Please watch for information regarding what to wear and pickup location after the concert!

We ask that you do not park in the staff parking lot as teachers will be using them during both concerts.

Students participating in the concert are asked to wear:

Room 12-Blue

Room 13-Black

Room 16-Pink

Room 18-Green

Room 20-White

Room 1 & 21-Yellow

Room 4-Orange

Room 6-Red

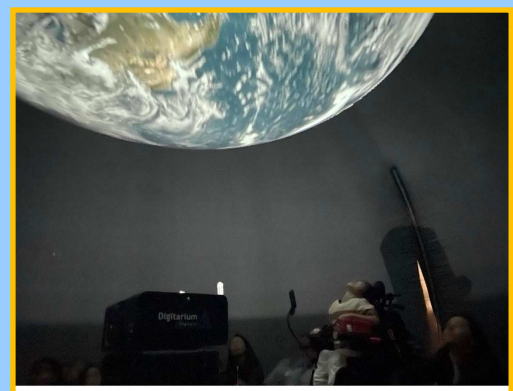

'Class of the Game' Winnipeg Ice

Congratulations to our Skating Club who were chosen as the 'Class of the Game' by the Western Hockey League team, the Winnipeg Ice! As the selected class, skaters had the opportunity to attend one of their hockey games. Students were picked up by bus from the school and headed off to the University of Manitoba-Wayne Fleming Arena to see the Winnipeg Ice take on the Medicine Hat Tigers. Students were super excited and had a great time!

Star Dome Returns!

We once again welcomed the return of the popular Star Dome presentations in February. The Star Dome is a mobile planetarium that allows classrooms to view the stars and planets as well as display stories about the sky, and the solar system. One of the presentations was about the First Heroes from Greek mythology such as Hercules & Perseus and how they can be seen in the sky. Ask your child what presentation they saw and if they remember where to find certain stars in the sky!

Skating Club

Tyndall Park School welcomed the return of the Skating Club! Unfortunately the weather did not cooperate on many of the days, but students enjoyed getting out when the opportunity was there. Run throughout the month of February and into March, students from grades 4-6, developed ways to enhance their ability and speed.

THANKS TO OUR STUDENT TEACHERS: MR. FRANCES, MS. COHN & MR. REMPEL FOR HELPING WITH THE CLUB!

THANKS TO MS. BASARABA, MRS. MCKELVEY, MRS GRECO AND MR. POLLOCK!
