### SCHOOL MISSION STATEMENT

Our Mission at Mulvey School is to provide a learning environment that promotes and fosters the growth of each student's potential and provides an opportunity for the individual student to develop the knowledge, skills, and values necessary for meaningful participation in a global and pluralistic society.

Mulvey School is a Nursery to Grade 6 school in The Winnipeg School Division of Cluster 1965. Mulvey School is very proud to have many wonderful programs that help to provide the necessary supports some students may require. The school is home to an Autism Program, COACH Program and other innovative programs including: Talk to Me, Early Years Phonological Awareness, Read to Me Literacy Framework and Special Projects Initiatives. These terrific programs, combined with the integration of arts, sports, education for sustainable development, along with high standards of academics, make Mulvey a wonderful school for students to learn, grow and flourish. This Community Report has been compiled to provide you with highlights and achievements of the 2022-23 school year.

We believe in child-centered programming that develops skills in dealing with change and problem solving, based on the Manitoba Curricula. This ensures that all students are included in the learning process according to their intellectual, social, emotional, and physical needs. We value community involvement in both curricular and extra-curricular activities. We honour and appreciate the cultural diversity of our community, thereby enabling all of our children to grow and learn in a constructive and holistic manner. The education of your child is of great importance to Mulvey Staff. We ask that you join us in celebrating the educational journey of 2022-2023 as you look through our Community Report. We have worked together to ensure that your child finds our school to be a safe and stimulating learning environment. Together, we have successfully partnered in the education of your child and have accomplished many great achievements. The entire Mulvey School Education Team worked diligently to help each student achieve his or her individualized learning goals, and together we have much to be proud of.

BELIEVE EXCEL SUCCEED TOGETHER

2022 - 2023

During the 2022-2023 School Year, six priority areas were identified. These six priority areas will continue to be focused on in the 2023-2024 school year:

The Mulvey School Priorities are developed in partnership with the community of learners to meet the needs of our school. They are created based on community collaboration, data and feedback gathered from students, staff and parents, as well as accounting for Provincial and Winnipeg School Division Priorities.

#### Parent and Community Involvement

"Mulvey School is the best. Everyone here helps us to learn. The teacher's are nice and so are the kids. I learned about Math and my teacher taught me in different ways so that I could understand." - Student

"I am so pleased that my children go to Mulvey School. The warm hellos as you walk in the front door always make my family feel welcomed. I appreciate the nutritious food that they offer my children and the intermural clubs that keep them active. We are still talking about camp around the dinner table that the students went to in March. I want to thank the whole Mulvey team for their communication, patience, inclusivity, and the gift of knowledge that they bestow upon our kids." - Parent

"I really enjoyed going to the Pow Wow Club this year, and the Big W.S.D. Pow Wow was awesome with so many schoolmates and all the other schools there. I really liked the dancing, the drums, and seeing all of the beautiful regalia." - Student

"Mulvey is a great place that strives to ensure each student feels like they belong. After parent-teacher conferences and through conversations with my child, I can tell lessons being taught are very valuable, and are teaching my child real life skills." - Parent

#### Mulvey School 2022-2023 Priorities:

- \* **Students:** To provide robust and comprehensive education, equitable access, diverse opportunity and a supportive learning environment for all students to help them prepare for their journey with values of learning and social justice, and be responsible community members.
- \* **Learning Outcomes:** To further improve school attendance, achievements & graduation rates through the exploration of additional programs and strategies.
- \* **Addressing Barriers to Learning:** To further develop initiatives and innovative approaches addressing individual student needs and accessibility requirements, mental health issues, child care needs, and nutritional needs.

- \* **Communications & Partnerships with Community:** To further develop communication and partnerships with the communities we serve, parents, families, government, business, health and social service agencies, Indigenous education, other community organizations, and our valued volunteers.
- \* **Sustainability:** To strengthen and enhance sustainable development initiatives that address environmental, social, and economic issues.
- \* **Employees:** To Increase the leadership capacity and professional development opportunities.
