2023 - 2024

SCHOOL MISSION STATEMENT

Our mission at Mulvey School is to provide a learning environment that promotes and fosters the growth of each students' potential and provides an opportunity for the individual student to develop the knowledge, skills, and values necessary for meaningful participation in a global and pluralistic society.

Mulvey School is a Nursery to Grade 6 school in The Winnipeg School Division. Mulvey School is very proud to have many wonderful programs that help to provide the necessary supports some students may require. The school is home to an Autism Program, COACH Program and other innovative programs including: Talk to Me, Early Years Phonological Awareness, Read to Me Literacy Framework and Special Projects Initiatives. These terrific programs, combined with the integration of arts, sports, education for sustainable development, along with high standards of academics, make Mulvey a wonderful school for students to learn, grow and flourish. This Community Report has been compiled to provide you with highlights and achievements of the 2023-2024 school year.

We believe in child-centered programming that develops skills in dealing with change and problem solving, based on the Manitoba Curricula. This ensures that all students are included in the learning process according to their intellectual, social, emotional, and physical needs. We value community involvement in both curricular and extra-curricular activities. We honour and appreciate the cultural diversity of our community, thereby enabling all of our children to grow and learn in a constructive and holistic manner. The education of your child is of great importance to Mulvey staff. We ask that you join us in celebrating the educational journey of 2023-24 as you look through our Community Report. We have worked together to ensure that your child finds our school to be a safe and stimulating learning environment. Together, we have successfully partnered in the education of your child and have accomplished many great achievements. The entire Mulvey School Education Team worked diligently to help each student achieve their individualized goals, and together we have much to be proud of.

BELIEVE EXCEL SUCCEED TOGETHER

Mulvey School 2024-2025 Priorities:

The Mulvey School Priorities were developed in partnership with the community of learners to meet the needs of our school. They are created based on community collaboration, data and feedback gathered from students, staff and parents, as well as accounting for Provincial and Winnipeg School Division Priorities.

During the 2023-2024 School year, six priority areas were identified. These six priority areas will continue to be focused on in the 2024-2025 school year:

- * **Students**
- * **Learning Outcomes**
- * **Addressing Barriers to Learning**
- * **Communications and Partnerships with Community**
- * **Sustainability**
- * **Employees**

Mulvey School Success

93% of grade 6 students who have consecutively attended Mulvey for 3 years or more are at or above grade level in reading.

Parent and Community Involvement

"Mulvey School is great because the staff are all very helpful and you can learn things here, have fun, and spend time with your friends. Making the library painting tiles was cool."
~ Student

"So excited my child is attending Mulvey School. The school programming for students and parents is phenomenal and inclusive. It is clear that diversity is celebrated at Mulvey and that the themes of belonging and life-long learning are extremely important. The staff are always enthusiastic and helpful, and we are so happy our kids are flourishing here."
~ Parent

"I love learning math! We get to do our problem solving work all around the class, on a bunch of surfaces" ~ Student

"My favourite gym times were when we got to go outside. This year we got to ski, snowshoe, and play with the giant ball outdoors. Winter camp was pretty cool too! The stars were so bright!"
~ Student

"As parents of Mulvey we have been able to take advantage of so many great programs and activities not only for our children but for ourselves; nutrition cooking classes, literacy evening, presentation by community agencies, Kindergarten Bags. This school is for everyone!"
~ Parent

Mulvey School 2023-2024 Priorities:

* **Students:** To provide robust and comprehensive education, equitable access, diverse opportunity and a supportive learning environment for all students to help them prepare for their journey with values of learning and social justice, and be responsible community members.

* **Learning Outcomes:** To further improve school attendance, achievements & graduation rates through the exploration of additional programs and strategies.

* **Addressing Barriers to Learning:** To further develop initiatives and innovative approaches addressing individual student needs and accessibility requirements, mental health issues, child care needs, and nutritional needs.

* **Communications & Partnerships with Community:** To further develop communication and partnerships with the communities we serve, parents, families, government, business, health and social service agencies, Indigenous education, other community organizations, and our valued volunteers.

* **Sustainability:** To strengthen and enhance sustainable development initiatives that address environmental, social, and economic issues.

* **Employees:** To increase the leadership capacity and professional development opportunities.
