RE: Teen Clinic—Partnership with Kelvin High School

Dear Kelvin Families,

We are pleased to share that Kelvin High School will be partnering with Teen Clinic. Teen Clinic's hours will be every **Wednesday, from 8:30am-12:45pm in Room 117.**

The primary Teen Clinic clinician working at Kelvin is a registered Nurse (RNAP) who will provide services in the following areas;

- General Medical Concerns (nursing scope is limited and will focus on supporting concerns by connecting to the right service)
- STI Screening
- Emergency Contraception
- Birth Control Options / Counselling
- Pregnancy counselling

We look forward to welcoming Teen Clinic into our school starting this **Wednesday, December 4th.**
