

King Edward Community School

Dear King Edward Families,

Welcome to the month of December. We are looking forward to connecting with all of our families to celebrate student learning and to make plans for next steps. If you are not able to meet with your child's teacher in person or by phone, please call and we would be happy to set up a time for you to meet with them.

Reminder: As the temperatures are getting colder, please send your children to school for 8:50 a.m. and 12:55 p.m. Pick-ups are at 12:00 P.M. and 3:30 P.M.

Students go outside for recess and need to be dressed for the weather. If you need support in getting winter supplies, please let us know. Jo-Anne Britton our CSW can connect you with Koats for Kids (please contact the school).

Thank-you to all our patrols, the Adult Crossing Guard and supervising teachers for their hard work in keeping our students safe while crossing the busy streets when they are on their way to and from school. They are out on their posts regardless of the weather. It helps when families are good role models and cross these busy streets at the appropriate crosswalks. We thank you all for your support!

Our Winter Concert will be in the gym on Thursday, December 12th at 6:30pm Families are invited to come out for a celebration of music. The Nursery Kindergarten concerts will be December 17th at 3:00pm for room 110. December 18th at 11:00am for room 111-am and December 18th at 3:00pm for room 111-pm.

The last day before the Winter Break is Friday, December 20th. Students will return to school on Monday, January 6th, 2025.

Our warmest thoughts and best wishes for a wonderful holiday and a very happy new year!

Room 210 News

As part of our historical thinking project, Room 210 went on a field trip to the Manitoba Museum. We participated in various presentations that highlighted Indigenous culture in Manitoba as well as Winnipeg's history. We also got to participate in hands on activities such as building a tee pee together as a group. Overall, we learned a lot and we are excited to start our own historical thinking project aimed at researching the history of our neighbourhood, specifically Selkirk Avenue. Stay tuned!

Performing Arts

Dear Families,

I am thrilled to share the wonderful news about our school choir's outstanding performance at the

Remembrance Day assembly. Their heartfelt singing truly captured the spirit of the occasion, honoring those who have served our country.

The students showcased their dedication and talent, creating a touching atmosphere that left many in the audience moved. It was a beautiful reminder of the importance of remembrance and community.

I would like to extend my heartfelt gratitude to all the families for your support and encouragement,

as it played a significant role in our children's success. If you missed the assembly, I encourage you to ask your child about their experience and the meaningful songs they performed.

Thank you for being an integral part of our school's community. We look forward to seeing you at future events!

Warm regards,
Mrs. Ella

If a child is 14 years old or older at any time during the Coverage Period, they must be a full-time student within the 12 months prior to any claim. We define a full-time student as being enrolled in a minimum of 3 courses at the same time, during any 4-month period.

Protect your loved ones 24/7 with student accident insurance

Get the financial protection your family needs. If your child is involved in an accident, whether at school or during non-school hours, student accident insurance protects your family from the resulting expenses, which are not normally covered under your government health and group insurance plans.

The Platinum Plan - our best selling plan - only \$42/year

For only \$42.00 a year, the Platinum Plan offers our best value in 24/7 accident insurance coverage. Plus, it is our only plan to offer out-of-province emergency medical coverage (up to \$200,000) plus other travel benefits.

Are you sure your child is covered?

Government health plans and employment plans offer limited coverage. We help to fill in the gaps.

How much of a difference can Student Accident Insurance really make?

Example: A 12 year-old was riding a bike. The student fell over the handle bars, fractured a wrist and cracked several teeth.
