2. Student Leadership - Student Council is selling flower grams and Candygram sales will continue. There will not be a Valentines day dance.
2. United Way – spoke about why our staff supports it and how the students in our school division gets a lot of funding for programming through it
3. Athletics – Winter Fun Day will take place on March 10 in the morning.
4. Student Support Services - Our take and leave pantry will start next week. It will not be monitored, as we do not want folks discouraged from taking what they need.
5. IAA- Looking at adding some Indigenous Winter Games to our Winter Games Day in March. Will be meeting with our Indigenous Graduation coach to discuss different opportunities for our students. A couple of opportunities for our grade 9 Indigenous Students this month include the Storytelling and Festival du Voyager excursion.
