

# Winnipeg School Division Find A School App Guide

The new Find A School app is now available for use.

To access the new app follow the link at top of the Division's Find A School page or click on the following link: [Winnipeg School Division Find A School App](#)

## How to use the application:

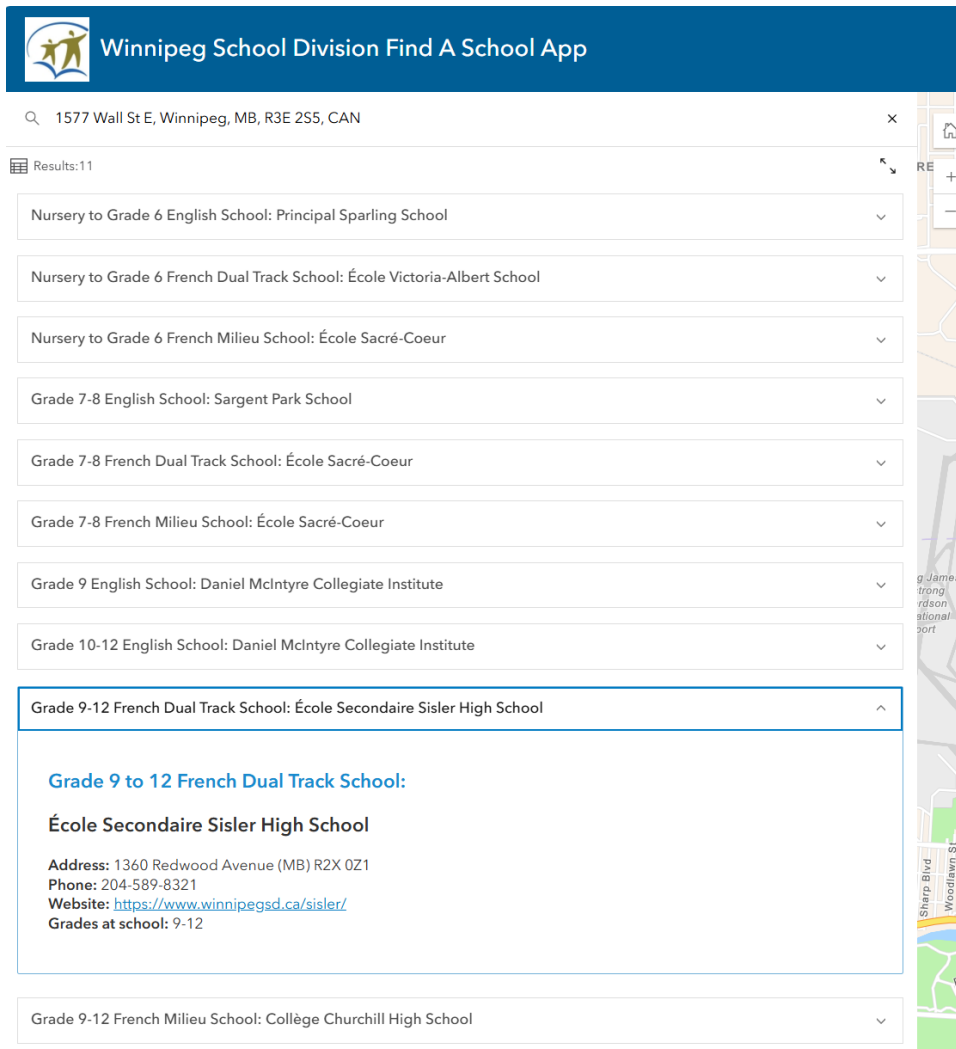

- The side bar on the left provides information about Division-wide programs and address search methods.
- The map on the right provides street addresses and coloured areas based on school catchments.

## To start:

- Enter an address or select a location on the map.
  - In the '*Find address or place*' search box located in the left sidebar (highlighted in yellow below), enter an address in Winnipeg, OR
  - Select a location directly on the map.

# Winnipeg School Division Find A School App Guide

- Results will indicate whether the address is located within Winnipeg School Division or not.
  - If the address falls outside of the Winnipeg School Division, the app will indicate that the address provided falls outside of WSD and include information on the school division to contact.
  - If the address falls within Winnipeg School Division, the app will provide a list of schools available to students living at the address indicated in the left hand bar. Multiple options will appear with details on grades and programs available at each school.
- For more information on a school, select the dropdown arrow located to the right of the school. Here you will get additional information on school location and contact information.
