

# 2026-2027 Grade 11 Course Selection Sheet

Last Name: \_\_\_\_\_ First Name: \_\_\_\_\_

Username: \_\_\_\_\_ Student Number: \_\_\_\_\_

**Dear Parent(s) / Guardian(s) / Care Giver(s):**

Your child will be selecting courses for the next school year. Please take a few minutes to discuss your child's course selections with them.

Course selections documents will be dated when they are returned to the school and electives will be honoured in the order in which they are received. **Please return this document to Gordon Bell no later than Friday, February 20, 2026.**

Please sign below indicating you have reviewed and approve of the course selections made on this sheet:

Parent/Guardian Name (print): \_\_\_\_\_ Relationship to Student: \_\_\_\_\_

Parent/Guardian Signature: \_\_\_\_\_ Date: \_\_\_\_\_

*Thank you for your support with this process!*

*When selecting your courses, please refer to the digital school handbook for course descriptions and prerequisites!*

## COMPULSORY (Mandatory) COURSES FROM GRADE 9 and GRADE 10

**Do you have all the compulsory Grades 9 and 10 courses?**

**Circle any missing credits:**

English (ENGR1F)      Math (MATR1F)      Phys Ed. (PHER1F)      Science (SCIR1F)      Social Studies (SOSR1F)

English (ENGR2F)      Essential Math (ESMR2S) or Intro Applied Math (IAPR2S)      Geography (GEOR2F)

Phys Ed (PHER2F)      Science (SCIR2F)

**Student will need to register for any of the above missing credits.**

## COMPULSORY (Mandatory) COURSES FOR GRADE 11

|                                                                                                                                                                                                                                                                                                                               |                         |        |          |

|                                                                                                                                                                                                                                                                                                                               | Essential Math**        | ESMR3S | 1 credit |
|                                                                                                                                                                                                                                                                                                                               | Applied Math**          | APMR3S | 1 credit |
|                                                                                                                                                                                                                                                                                                                               | Pre-Calculus Math**     | PCMR3S | 1 credit |

## ELECTIVES COURSES FOR GRADE 11

### **Instructions for Selecting Electives (Option Courses):**

- Select five (5) electives (option courses) from the list below.
- Rank courses from 1 to 5. (1 being the one you want most.)
- Circle the course level. (2 = Grade 10 level, 3 = Grade 11 level, 4 = Grade 12 level)
  - Although there are no prerequisites for some courses, it is strongly recommended that students begin with the Grade 10 level.
  - Students requiring Biology, Chemistry and / or Physics should plan ahead. Students should not leave grade 11 level science courses to their graduating year!

***\*Please note that not all options will be offered every year and courses require a minimum student interest to be offered.***

| Rank | Electives (Option Courses)                         | Grade 10        | Grade 11        | Grade 12      | credit |
|------|----------------------------------------------------|-----------------|-----------------|---------------|--------|
|      | 2D Computer Animation / 3D Modeling*               | -               | ANHR3S / MOHR3S | -             | 1      |
|      | Accounting                                         | -               | AESR3S          | ASYR4S        | 1      |
|      | Advanced Math/Intro to Calculus* **                | -               | -               | ADMR4S/CALR4S | 1      |
|      | Art                                                | VIAR2S          | VIAR3S          | VIAR4S        | 1      |
|      | Band++                                             | MCBR2S          | MCBR3S          | MCBR4S        | 1      |

++ Courses may be scheduled at 8:00 a.m., lunchtime and / or 3:30 p.m. If you pick band or choir, you will need to pick 6 option courses.

\* You will need to take the two half courses to receive 1 credit.

\*\* A prerequisite is required to take this course. (i.e You must take grade 10 English (ENGR2F) before you can take grade 11 English (ENG3S))

Urban Fusion (DN1R2S, 3S, 4S) , Vocal Jazz (MVJR2S, 3S, 4S) and Drama Performance (DPHB1S, 2S, 3S, & 4S – ½ credit) will be available by audition only and you do not sign up for these at this time.

^This course is intended for students that self-identify as Indigenous or Metis.
