

Thank you to all who attended the first Safegrad Info meeting on Jan 19th and especially to those who signed up to volunteer. We are still looking for more volunteers, and have not yet had anyone volunteer to be a chairperson for the safegrad committee. Please email [kseifertclarkson@wsd1.org](mailto:kseifertclarkson@wsd1.org) to sign up as a general volunteer or to be a co-chair.

The Safegrad event cannot run without parent co-chair organizers, so please consider stepping up and helping out!

### GRAD ASSEMBLY

There will be a MANDATORY assembly in the spring (April 23rd in C Slot) for ALL grade 12s. All aspects of grad (convocation and dinner/dance) will be explained. It is very important that ALL grade 12s attend this assembly, even if they have a spare. This is the only assembly that we will be holding to discuss graduation AND we will go over everything and answer questions.
