Grades 1-6 Student Supply Information 2023/2024

For the 2023/2024 school year, your child's teacher will be collecting **\$50.00** from each student to purchase school supplies for the students in their rooms instead of providing a supply list. The supplies will be purchased in bulk several times during the school year. Buying school supplies in bulk will allow us to buy quality supplies at reasonable prices.

Please send **\$50.00** with your child on the first day of school. Cheques should be made payable to "École Laura Secord School". These funds will also be used for classroom supplies and special projects.

Music

Gr. 1-3: Music supplies are provided.

Music

Gr. 4-6: A three-piece recorder (Yamaha or Aulos brand with English/Baroque tuning) is required for Music classes. Cost to purchase a new recorder from the Music program is \$7.50 and an order form will be sent home with students in the fall.

*Students in the **Grades 4 – 6 French Immersion program only** will need a **French/English Larousse dictionary** (approximately \$10.00) - not a miniature one.*

Please note that all students at École Laura Secord School are asked to have white-soled runners (for physical education) to be left at school (extra pair). Students should be able to tie laces independently or please send velcro. For younger students, please consider the ease with which your child can put on and take off their own shoes, as we change our shoes 8 times a day! Students are asked to bring **one box of Kleenex** for the school year.

**The first day of school for students in grades 1 - 6 will be
Wednesday, September 6th, 2023.**

Students should report to the classroom indicated on their final report cards.
