Dear Parents/Guardians of Students Turning 18:

Please be advised that in accordance with *The Freedom of Information and Protection of Privacy Act*, the school ceases to contact parents/guardians when students turn 18 years of age. Recognizing the importance of parent/guardian involvement to ensure student success, the school provides a waiver whereby students can give permission for communication with home to continue.

If your child would like the school to continue sharing information with you, please have them sign the “**18+ Information Consent Form**” form after their 18th birthday and return it to the school office.

Sincerely,

Kelvin Administration
