To Kelvin Parents/Guardians:

The Inclusive Education Advisory Committee is an Advisory Committee to the Board of Trustees which will be comprised of parents/guardians of students with inclusive needs in the Division. Inclusive Education includes any students with exceptional learning needs including social/emotional, behavioural, sensory, physical, cognitive/intellectual, communication, academic or special health-care needs that affect a student's ability to meet learning outcomes.

In accordance with the Terms of Reference for the Committee, the Inclusive Education Committee will provide an opportunity for any parents/guardians of a student with inclusive needs to provide feedback to the Board of Trustees on programs and services as well as networking with other parents with similar advocacy needs. The Committee will also be provided information on supports and programs offered by the Division and the community.

The first meeting will be held at Prince Charles Education Resource Center on Wednesday, October 18th from 7-8:30 PM. A copy of the agenda is attached. Parents/Guardians who are interested in participating as a member of this Committee please contact the Board Office at 204-789-0469 or email [Board@wsd1.org](mailto:Board@wsd1.org).
