

**THE WINNIPEG SCHOOL DIVISION**  
**INNER CITY DISTRICT ADVISORY COMMITTEE**  
**SUMMARY OF DISCUSSIONS – Tuesday, November 30, 2022**

---

**1. ACKNOWLEDGEMENT OF INDIGENOUS PEOPLES OF CANADA**

Committee members were informed that the Inner City District Advisory Committee meeting is taking place on Treaty One Land and the traditional homeland of the Red River Métis.

**2. ELECTION OF COMMITTEE CHAIR**

Committee members were informed that at the Inaugural meeting of the Board of Trustees held on November 7, 2022, Trustee Perla Javate was appointed as the Board's representative and Trustee Dante Aviso was appointed as the Board's alternate representative to this Committee.

The parent representatives from Mulvey School, Hugh John Macdonald School and John M. King School volunteered to rotate/co-chair the Inner City Advisory Committee meetings. The parent representative from Mulvey School chaired the first meeting.

**3. APPROVAL OF AGENDA**

Committee members recommended that speeding in school zones and Indigenous studies be added to the agenda for discussion. The revised Agenda for November 30, 2022, was approved by the Committee.

**4. WSD BUDGET CONSULTATION 2023/2024**

Committee members were informed that on March 15, 2022, the Board of Trustees approved a budget for the 2022/2023 school year in the amount of \$437,118,200, which included \$13,217,517 in one-time funding and \$525,358 from accumulated surplus to offset a budgeted deficit. Baseline funding decreased by 1.3 percent (or \$2,325,238) and property tax levies for education remain frozen at 2020 levels.

Committee members were informed that on November 18, 2021, the Province of Manitoba announced the creation of a consultant team to guide the development of a new education funding model which was expected to be implemented by school boards for the 2023/2024 school year, however, to date the province has not announced the new funding model.

Committee members were informed that the consultation team is to be made up of government officials and representatives from a number of organizations including (but not limited to) First Nations schools, independent schools, school superintendents, municipal organizations and parent councils.

Committee members were informed that the current funding model was implemented in the 2002-2003 school year. The goals of the review of the funding model include: creating a formula that allocates provincial funding to Manitoba's 37 school divisions; developing a stable, predictable and phased implementation plan to transition from the existing formula to the new in a way that can accommodate the progress of eliminating education property taxes; and ensuring the unique needs of the Division scolaire franco-manitobaine (DSFM) are accommodated in the design of the formula.

INNER CITY DISTRICT ADVISORY COMMITTEE  
SUMMARY OF DISCUSSIONS – November 30, 2022

- 2 -

---

Committee members were informed that in previous years, the Board has been able to develop balanced budgets through the combination of provincial revenue as well as revenue from the property tax levy. Committee members were informed that provincial funding has dropped from approximately 61 percent of total costs in 2016, to 57 percent of total costs in 2022.

Committee members were informed that due to the drop in provincial funding there is an increased reliance on local property tax levies to make up the shortfall. Without the option to increase property taxes to fund programs and services the Board of Trustees have been forced to make difficult decisions regarding eliminating or reducing some programs unique to the needs of students and families.

Committee members were informed that the Board of Trustees continues to send a strong message to government that it is important that the new funding model supports both the basic education and unique needs of our students and communities.

Committee members also requested that information regarding how to participate in the consultation process be provided to parents.

Committee members were informed that the Board of Trustees are now in the process of developing the 2023/2024 budget. The members of the Board want to hear about education priorities for school communities.

**5. POLICY KMB – PARENT COUNCIL LUNCH PROGRAMS**

Committee members were informed that at a meeting held May 2, 2022, the Policy/Program Committee agreed to refer draft Policy KMB – Parent Council Lunch Programs to the District Advisory Committees to review with their respective parent councils and to provide feedback no later than January 31, 2022.

Committee members were informed that the policy was developed to provide guidance and support on the responsibilities and acceptable practices for Parent Councils providing lunch programs in schools. Committee members were informed that parent councils had requested support/guidance for the operation of their respective lunch programs as well as concerns regarding consistency for staffing, fees and salaries.

Committee members were encouraged to review the policy with their respective parent councils and to share their thoughts via email to the Board and Community Liaison Officer at [brlapointe@wsd1.org](mailto:brlapointe@wsd1.org) for review and consideration by the Board of Trustees. Parent Councils may also contact the Board and Community Liaison Officer directly for assistance.

In response to a request for clarification regarding responsibilities for dealing with inappropriate behavior, Committee members were informed that the parent council lunch program operates as an employer and they are responsible for informing parents, students and staff of the process for dealing with inappropriate behavior, as well as who will be responsible at each stage of the process.

Committee members agreed to contact the Board and Community Liaison Officer with any other questions or requests for clarification.

---

**6. RENAMING OF SCHOOLS**

Committee members were informed that during the 2021/22 school year, the Board of Trustees approved a motion to review all schools named after individuals with a history of actions that are not in accordance with WSD values of inclusiveness, diversity, reconciliation and respect for the human rights and human dignity of others.

Committee members were informed that all schools, parent councils, families, community members and organizations may submit recommendations and/or feedback to the Board of Trustees regarding schools named after individuals.

Committee members were informed that the Board of Trustees recently reviewed and revised the renaming process to provide criteria and outline the process for renaming a school. The process may be initiated in response to a request from staff, students, parent councils, community members or a member of the Board of Trustees. All requests must be submitted to the Board in writing and include contact information and a rationale which includes a narrative explaining the basis for the request, the actions of the namesake that are not in accordance with WSD values as well as the sources and strength of evidence of the actions, the harm the continued use of the name may inflict on WSD and its community and any attachments to support the renaming request.

Committee members were informed that renaming request will be referred to the Building/Transportation Committee for review and consideration.

Committee members were encouraged to research school names and to involve students in the process as well.

**7. SPEEDING IN SCHOOL ZONES**

Committee members requested that speeding in school zones be added to the agenda for discussion. Committee members expressed concerns with speeding in/around schools on busy streets. Committee members shared experiences and challenges of installing speed bumps in these areas. The parent representative from Mulvey School agreed to organize a sub-committee to coordinate efforts in petitioning the city regarding installation of speedbumps, traffic lights, and traffic cameras to assist in reducing speeding in these areas. Committee members were informed that those interested in participating in the sub-committee can contact the parent representative at [pucona@gmail.com](mailto:pucona@gmail.com).

**8. INDIGENOUS STUDIES**

Committee members expressed concern with number of students graduating high school without a proper education/understanding of Indigenous culture and history. Committee members enquired about the possibility of making Indigenous studies a mandatory course for grades 11 and 12.

Committee members were informed that mandatory courses can be discussed at the school level. The Acting Superintendent of Education Services will discuss options with schools.

Committee members discussed the importance of Indigenous history, culture and perspective being included in other subject areas such as English and Geography. Committee members were informed that it is a provincial requirement for Manitoba teachers to integrate indigenous perspectives into their classrooms. Committee members were informed that WSD encourages teachers with advanced understanding and knowledge of Indigenous culture to take on leadership roles within their school communities to inform and

INNER CITY DISTRICT ADVISORY COMMITTEE  
SUMMARY OF DISCUSSIONS – November 30, 2022

- 4 -

---

educate other staff and teachers on best practices.

Committee members discussed the need for additional funding for Indigenous studies. Committee members were informed WSD receives funding from the province for Indigenous studies.

**9. ENQUIRIES AND ANNOUNCEMENTS AND SCHOOL REPORTS**

**SCHOOL REPORTS**

Parent representatives from the following schools provided a written report on school activities: (attached):

- Niji Mahkwa School
- Sister MacNamara School
- Mulvey School
- Children of the Earth High School
- Machray School

**10. DISTRICT ADVISORY REPORTS AND SUMMARIES OF DISCUSSIONS**

Committee members were informed that at a meeting held March 7, 2022, the Board of Trustees received the Advisory Committee Summary of Discussion as information. Committee members were informed that four voting members were in attendance at the previous meeting and nine were required to constitute a quorum, therefore a report to the Board was not submitted. Committee members were informed that once reviewed by the Board, District Advisory Committee Reports and Summaries of Discussions are posted on the Division's website under the Family and Community tab.

## **Niji Mahkwa Inner City Report Fall 2022**

Niji Mahkwa School has had a very busy fall with Niji Mahkwa Students and staff.

### ***September:***

**14<sup>th</sup>** All staff and students went sage picking for the smudging preparation during the whole school year & the first whole school pipe ceremony was held today.

**15<sup>th</sup>** The whole school Biindigen feast ("come in") was attended well this September. Parents had the opportunity to meet and visit with their children's classroom teachers during this time.

**29<sup>th</sup>** The September Terry Fox run/hotdog lunch was held and along with the honouring for The Walk for Wenjack (Indigenous runner for Indigenous awareness/health). During this time at the end of September, the school gave away Orange T-shirts for The Truth & Reconciliation Day.

### ***October:***

The Niji Mahkwa Kitchen Brigades program has started with the home education program. Share The Magic free books giveaway to all students was held a few times in October and the free books program will be visiting the school soon again. The dental clinic also visited our school and screened students this month. A beading workshop group for parents has started up. A parent will be leading the lessons and parents attending on Wednesday afternoons will create beaded projects for the school and one for home.

**5<sup>th</sup>** Our first Parent Council meeting was well attended.

**18<sup>th</sup>** The WSD Food Security Program had a bit of a late start this year, however, the school was able to start giving out potatoes and bread from the Food Security Program in the 3<sup>rd</sup> week of October

**28<sup>th</sup>** Picture Day. Proofs have been received. Parents can order online or pay the teacher. Students were excited to receive a class photo

**31<sup>st</sup>** Kick off our Spirit week on Halloween this year with costumes and a haunted hallway, with a week of activities to follow.

### ***November:***

The Vision Clinic commenced their week long check-ups with our students in November in the school library. Our community education partners CEDA pathways programs had their first fall orientation in with our grade 8 students. CEDA pathways programs offers tutoring and mentorship supports with our participating grade 8 students during the school year. The Koats For Kids Program has officially been

accepting orders at our school this fall. The school has been filling out orders for our families. In November the school staff raised funds for the United Way with a Scrap Metal Drive & a lunch. Over \$700.00 was raised.

**7<sup>th</sup>** An after school “engagement hub” was started for grade 7 and up to stay after school and work.

**8<sup>th</sup> & 10<sup>th</sup>** The whole school honoured Indigenous Veterans Day with a whole school service held to commemorate Indigenous veterans. There was also a Remembrance Day service held during the same week. We were able to invite Indigenous Veterans to present at both.

**17<sup>th</sup>** Student led conferences were held on November 17<sup>th</sup>, with a good parent turn out. Parents and students were given a hotdog, milk and a treat during their evening visit.

**30<sup>th</sup>** The Shop with Cops program will be happening this month. Two students have been selected from Niji Mahkwa School to shop with community police officers. They will be going to St. Vital mall and receive a free pizza lunch as well.

Our school winter activities are well on their way this month with an afternoon grandparent winter concert and evening showing, The whole school Christmas dinner will be held and breakfast with moshoom (grandfather) are happening this month. We will wrap up December with a pipe ceremony on December 21<sup>st</sup> for the winter solstice.
