

TAP Program

Room 23– Ecole Luxton School

Ms. Kelsch

Purpose: To provide a trauma informed classroom where students access clinical interventions and appropriate academic programming until such time as they can successfully rejoin their inclusive home school community. All students will have at least one Student Specific Plan.

Supports: Trauma informed classroom and programming alongside academic supports accessing appropriate educational programming for each student. Indigenous and cultural programming, teaming with outside service providers, and other programming to build strategies and self- advocacy in preparation to return to the home school.

Learning behaviours: All students will be included in daily school routines and classes with their same age peers as much as possible for the full school day. Independence is fostered in all environments with the goal of returning to the home school.
