## NEWSLETTER

### January 2024

Dear Strathcona Families,

Happy New Year! Staff and students are excited to be back at school in January to kick off 2024 with learning! As the temperatures finally begin to look and feel like winter, please remember to dress your child for the lower temperatures. Throughout the day students will continue to have recess and occasional outdoor learning opportunities during the month of January. A winter jacket, toque, mitts, and winter boots are essential to keeping students and staff warm and safe during these colder months of the year.

If you need any assistance with providing winter clothing Strathcona is always happy to help. We receive donations from a variety of charitable organizations and often have extra hats, mitts, and boots at school. Our community support worker Lee Tavares is happy to assist families, as well as your child's classroom teacher.

Let's continue to work together to provide opportunities for your child to learn, grow, and dream big! Attending school every day (when healthy) is so important to your child's development and success in the future.

Take care and see you soon!

# WINTER CONCERT

Our nursery to grade four students were so excited to perform for their families at our winter concert! What a magical night to celebrate the arts and honour the tradition of a winter concert at Strathcona School.
