1. General

- 1.1** In accordance with the Public Schools Act, subject to any regulations made under *The Education Administration Act* every school board shall make provision for a student to attend a school in another school division or school district for a program not provided by the student's home school division or school district and the student's home school division or school district is responsible for paying the residual costs of the education.
- 1.2** Where a resident student attends a program at a school in another school division and that program is offered by the home school division, the home school division shall pay a student transfer fee to the other school division in accordance with the regulations.
