## Happy Father's Day

Sunday, June 16, 2024

A Dad is a person  
who is loving and kind,  
And often he knows  
what you have on your mind.  
He's someone who listens,  
suggests, and defends.

A dad can be one  
of your very best friends!

He's proud of your triumphs,  
but when things go wrong,  
A dad can be patient  
and helpful and strong  
In all that you do,  
a dad's love plays a part.

There's always a place for  
him  
deep in your heart.

And each year that passes,  
you're even more glad,  
More grateful and proud  
just to call him your dad!

Thank you, Dad...  
for listening and caring,  
for giving and sharing,  
but, especially, for just being you!

Happy Father's Day

## How to Keep the French Language Active Over the Summer!

One of the keys to helping your child learn French is to expose them to the French language outside of the classroom. There are many ways you can make this happen.

### French movies:

- Watch a favourite movie in French. Every DVD produced for Canadian distribution comes with both English and French audio tracks and subtitles.

### French books:

- Have a selection of French books for you and your child to read; this will encourage them to practice their French!

### French websites:

- Access French websites that are associated with topics your child is interested in. There are also websites that offer games, homework help and fun in French.
