Congratulations, Patrols!

We Did It - First Place!

We are thrilled to announce that École George V School has won First Place in the Winnipeg School Division - Central for our exceptional School Patrol Program!

Our patrols were recognized on May 26th, at a special awards ceremony hosted by the Winnipeg Police Service at the Portuguese Cultural Centre. We are so proud and honoured to receive this recognition.

This award celebrates the dedication, responsibility, and leadership our patrols have shown all year, standing outside in the cold, rain, snow and heat to ensure our students cross safely each day.

Congratulations to all our patrols! Your hard work and commitment truly make a difference. We're so proud of you!

It's Almost Summer!

Summer is right around the corner and the sun is getting hot! Please be sure to dress appropriately for recess and all of the upcoming field trips.

Students should be sure to bring hats and sunglasses, as well as sunscreen, a water bottle, and proper clothes for hot weather.

Student Pickup Parking

For parents picking up or dropping off their students, please be sure not to park in front of fire hydrants as it poses a safety concern for all residents in the area should an emergency arise. It is important that we are mindful of our neighbours and everyone in the community.

Please ensure your child is dressed comfortably and brings any necessary personal items. If your child has dietary restrictions or medical conditions, kindly inform us in advance. We are looking forward to celebrating our patrol team's success with a special and fun-filled day.

WSD SCHOOLS & HOT WEATHER

Winnipeg School Division has 78 schools, with some being the oldest school buildings in Manitoba. The average age of our school buildings is 70 years old, with 16 buildings over 100 years old.

The cost to install and make all our schools fully air conditioned is approximately

\$130 Million

- 32** facilities with full air conditioning
- 27** facilities partially air conditioned (i.e. only in modern school additions or gymnasiums).
- 19** facilities with no air conditioning

WSD includes air conditioning upgrades in our yearly 5-Year Capital Plan submissions to the Province.

Keeping students and staff cool

WSD implements the following techniques:

- Running ventilation systems early in the morning to cool schools before arrival
- Controlling outside air intake during the school day
- Using oscillating fans to create air movement
- Minimizing using overhead lights
- Switching off unused classroom electronics
- Closing shades to block direct sunlight
- Taking cool-down breaks between lessons
- Avoiding excess movement during midday heat
- Encouraging students and staff to stay hydrated
