

June Newsletter

Message From Ms. Manness...

It's hard to believe June is already here! What an incredible year it has been. I'm so grateful for the opportunity to work alongside you and your children—it's been a true privilege. As we wrap up another memorable school year, we're already looking ahead with excitement to what September will bring. Our dedicated staff is preparing to welcome students back into a safe, engaging, and inspiring learning environment. We can't wait to see our school community come together again! Please note: the first day of school will be Wednesday, September 3, 2025.

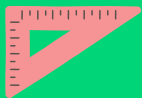

To our students moving on to new schools, we wish you all the best in your next chapter—you'll be missed! And to those returning in September, we can't wait to welcome you back into our Carpathia family.

We'd also like to extend our heartfelt thanks to Ms. Braun for her dedication and contributions to Carpathia School. As she moves on to exciting new opportunities, we wish her nothing but success and happiness.

At the same time, we're thrilled to welcome Ms. Devlin and Ms. Janzen to our staff team. We're excited to have you join the Carpathia community! A very special shout-out goes to our Grade 6 Class of 2025—congratulations! We are so proud of each and every one of you. You've left your mark on our school, and we know you'll continue to do amazing things at your new schools. You'll always be part of the Carpathia story.

As we head into June, let's take time to celebrate all the accomplishments of our students and staff. From all of us at Carpathia School, we wish you a joyful, safe, and relaxing summer break!

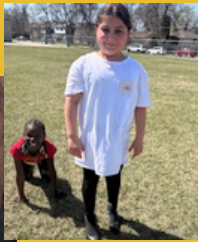

Math-lympics!

$$\begin{array}{r} +51+ \\ +93=6=5 \\ \times \end{array}$$

May and Math Month came to an end with the first ever Math-lympics. The grade 5/6 students in Room 139 planned the event. They brainstormed games that could be played incorporating Math and numbers. They worked with the grade 3/4 students from Room 122 to create the games. It was great to see the collaboration between the two classrooms. On Thursday, May 29 the Math-lympics took place in the courtyard. Room 139 ran the event while students from grades 1 to 4 participated in the event. Students participated in nine events including Bean Bag Toss, Basketball Cone Shoot, Bowling, Ring Toss and Skipping. The games included addition, subtraction, multiplication and counting. The hosts and Mathletes had a great time.

May
FUN

We are Planning Meet the Teacher!

Mark your calendar for Tuesday, September 2 from 1:30 pm –3:00 pm

We invite families to:

Visit your Classroom and Meet the Teachers

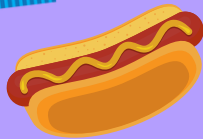

Bring in your school supply items and money

Pick up classroom overviews

Check out other key areas in the school

AND

Enjoy an all-beef hotdog and a bag of chips!

****Nursery and Kindergarten Families are welcome to attend, tour the school and have a hotdog, but will begin school officially on Monday, September 8. Ms. Zonneveld will be in touch with all parents about their individual classroom visit.***

We look forward to seeing you!

Regular classes begin the next day - September 3 for grade 1-6 students

The school bell rings at 8:55 am and classroom teachers will meet you outside on the playground!
