Principal's Message...

Dear River Elm Families,

As we step into the final month of the school year, I want to take a moment to reflect on what an incredible journey it has been. June is always a special time—a season of celebration, reflection, and anticipation. Together, we've navigated another meaningful year filled with growth, learning, and resilience.

First and foremost, I want to extend my deepest gratitude to our staff, students, and families. Your continued partnership, support, and enthusiasm have been the heart of all we've accomplished. From classroom achievements to school-wide events, I've been continually inspired by the creativity, kindness, and dedication that define our River Elm community.

This month, we look forward to year-end activities, including class field trips, our awards assembly, and our Grade 6 Farewell. These events not only mark the culmination of our academic efforts, but also create lasting memories and celebrate each student's unique contribution to our school.

As summer approaches, I encourage families to take time to relax, read together, explore nature, and enjoy the slower pace of the season. Learning doesn't stop in June—it simply takes on new shapes, and summer offers rich opportunities for curiosity and connection.

To our students and families who are moving on, we wish you the very best in your new adventures. You will always be a part of the River Elm story.

Thank you for a wonderful year. We are already looking forward to welcoming you back in the fall with fresh energy and new possibilities.

Warmly,
Marla Tran

Hello Roadrunners!

We are approaching the last month before summer break, and we have some housekeeping to do!

Please check at home if you have any library books to return to school. You can tell if it belongs to the library if it has a barcode like this:

We will be asking for the books to be back for June 13th.

Check out your local public library for books to borrow over the summer! They are the Munroe Library at 489 London St, and the Henderson Library at 1-1050 Henderson Hwy. You can sign up for a library card for free, and there will be lots of books and programming for you to enjoy!

Happy reading,

Ms. Candice
