Dear Parents/Guardians of Grade 10 French Immersion students,

École secondaire Kelvin High School's French Immersion Team extends an invitation to your grade10 French Immersion student to take part in Aléa Saint Boniface 2023.

The Grand Gathering is making a strong comeback! It's just around the corner, scheduled for **September 27th** ! This initiative stands as the largest assembly of French-speaking youth in Manitoba and Western Canada. This event offers high school students the chance to embrace their Francophone heritage outside of the classroom and forge connections with fellow young individuals who share their enthusiasm and pride in Francophone culture within Manitoba! This year, Collège Louis Riel is graciously hosting the CJP (Manitoba Youth Parliament) to kickstart this most significant event once again!

During the morning, students will engage in workshops and group activities, have the chance to socialize with students from different schools, and make new acquaintances! In the afternoon, an exciting fair awaits them, brimming with games, activities, and a concert! Spectacular performances are on the agenda, featuring one by P'tit Belliveau, from Baie-Ste-Marie in Nova Scotia, who brings forth a blend of folk-country music with electrifying elements that draw inspiration from the nostalgic era of cassette players.

Students have been asked to register their workshops/activities.

Here is the link in case they have not already registered:

Buses will depart at 8:45 AM Kingsway entrance, and we anticipate a return time of 3:30 PM. Upon our return to school, students will be dismissed.

Lunch: Students have the option to either bring their own lunch or to purchase food from the various food trucks present at the event.

Outdoor Clothing: Organizers kindly request that students dress appropriately for the weather, as a portion of the day will be held outdoors. If possible, students are encouraged to wear the school's colors (red and gray). Additionally, it's important not to forget your **water bottle**, as there will be water fountains available for refilling.

Participation in this field trip is compulsory at Kelvin. The registration fees include bus transportation to College Louis Riel, as well as the workshops. We are asking for a \$10 contribution, with the school covering the remaining expenses. Payment options include sending a cheque payable to Kelvin High School or using Permission Click. Payment is due September 25th. If you require financial assistance for the cost of the day, please do not hesitate to reach out to your teacher or Madame Gouthière.
