

École Secondaire Kelvin High School

School mission statement

Kelvin High School is dedicated to helping every student achieve academic success, build self-confidence, and develop a strong sense of social responsibility within a safe, supportive, and challenging learning environment.

Through a wide range of opportunities both inside and outside the classroom, Kelvin fosters reconciliation, self-discipline, and independence. The school empowers students to embrace the challenges and opportunities of life beyond high school with confidence, resilience, and optimism.

École Secondaire Kelvin High School is a public high school located in the River Heights community of Winnipeg, Manitoba. Serving approximately 1,300 students in Grades 9 through 12.

The school offers three academic pathways: the English Academic Program, the French Immersion Program, and the International Baccalaureate (IB) Programme. Kelvin is dedicated to fostering a supportive and engaging learning environment where every student is encouraged to grow academically, socially, and personally.

Teachers provide meaningful opportunities for students to expand their knowledge, strengthen their skills, and develop the values needed to thrive in a global society. Supported by a committed team of staff, parents, and volunteers, students benefit from a wide range of resources and expertise designed to help them succeed.

Guided by the Winnipeg School Division's core pillars of **Love, Joy, and Rigour**, Kelvin High School strives to inspire excellence, well-being, and lifelong learning in all students.

Priorities for 2026-2027

Mast 1: Positive, Supportive Learning Environment (Joy)

- Strengthen our positive school culture so that all students experience a greater sense of belonging and inclusion.
- Collaborate to promote and reinforce high standards of citizenship, responsibility, and respect.
- Foster and support a healthy balance that enhances the well-being of both students and staff.
 - Create and expand mentoring opportunities that encourage personal growth, learning, and meaningful connections for everyone.

Mast 2: Intellectual Engagement and Academic Achievement (Rigour)

- Maintain and clearly communicate high expectations for academic success for every learner.
- Design engaging instruction and meaningful assessments that inspire curiosity, critical thinking, and a passion for learning.
- Provide students and staff with the resources, opportunities, and support needed to achieve their full potential.
 - Encourage active learning by helping students apply and transfer their knowledge and skills to new situations and real-world contexts.

Mast 3: Including Everyone (Love)

- Provide the supports and interventions needed to promote success and achievement for all learners.
- Encourage creativity, engagement, and active participation among both students and staff.
- Continue to offer a wide range of extracurricular opportunities that enable students to discover, develop, and pursue their interests, talents, and passions.

Priorities for 2026-2027

Mast 1: Positive, Supportive Learning Environment (Joy)

We are committed to strengthening our positive school culture so that every student feels welcomed, valued, and connected. By working together to promote high expectations for citizenship, respect, and responsibility, we foster a community where students and staff can thrive. We also recognize the importance of maintaining a healthy balance and supporting the well-being of all members of our school community. Through collaborative classroom projects, extracurricular clubs, school-wide events, performing arts, athletics, and student council initiatives, students have numerous opportunities to learn, contribute, build relationships, and develop a strong sense of belonging.

Mast 2: Intellectual Engagement and Academic Achievement (Rigour)

We maintain high expectations for academic excellence and encourage all learners to reach their full potential. Through thoughtful instructional planning and meaningful assessment practices, we inspire curiosity, critical thinking, and a lifelong love of learning. Our students are actively engaged in learning experiences that challenge them to apply and transfer their knowledge and skills in a variety of contexts. Staff members continuously refine their teaching practices by drawing on current research and effective pedagogical approaches, ensuring that both students and educators have the opportunities and support needed for ongoing success.

Mast 3: Including Everyone (Love)

We strive to create an inclusive environment where every learner feels respected, supported, and empowered to succeed. Academic, social, and emotional supports are available to help students overcome challenges and achieve their goals. We encourage creativity, collaboration, and active participation from both students and staff, recognizing that diverse perspectives strengthen our community. Through a wide range of extracurricular opportunities, students are encouraged to explore their interests, develop their talents, and pursue their passions while building meaningful connections with others.

Parent and Community Involvement

- Grade 9 Walk-a-thon again raised over \$15,000 for Cancer Care Manitoba.
- Truth & Reconciliation Day: Calls to Action Kelvin students participated in weeklong activities of teachings ending with a school-wide walk to the former Assiniboia Residential School.
- Annual Holiday Breakfast and Toy/Book Drive hosted Faraday School students.
- Many Kelvin clubs (Hope for Humanity, Youth in Philanthropy, Student Council) continued to support various community charities.
- Career Exploration Days
- Post Secondary Exploration Events/ Individual Counselling
- Festival of the Arts with performances from our visual & performing arts students took place in May-June
- Helping Hands- student
