

LORD ROBERTS START OF SCHOOL

September 2023

WELCOME BACK TO SCHOOL!

We are so excited to welcome back all students to school as well as meet some new ones! We have prepared these slides to help answer some of the questions you may have for your child to have a successful start to the school year.

Though we continue not to have any COVID restrictions, it is still important for students to stay at home if they are sick and not return to school until they are well. If students present with consistent/ongoing or increasing signs of illness at school (cough, sore throat, runny nose, vomiting, etc.) they will be sent home.

Parents/guardians are expected to pick them up in a reasonable time if contacted due to illness.

An email will be sent out every Friday to parents/guardians with our “WEEK AT A GLANCE” so you can see what’s on the calendar for the following week or any need to know information, so you are up to date on a regular basis.

Visitors, Appointments, Late Arrivals & Early Pick-Ups

It is important for families to call SAFE ARRIVAL (1-855-278-4513) anytime their child will be absent or arrive late for any reason. Should anyone arrive late they are to enter through the front main doors on Beresford and immediately report to the office. You can also access Safe Arrival at go.schoolmessenger.ca

Please call the office at 204-453-6639 and let us know if your child/children need to be picked up early so we can have them ready.

Once you arrive, please enter through the main front door and head to the office where a staff member will ensure your child/children safely meet you to depart.

If you have an appointment with a teacher or administrator, please enter through the main front doors and report to the office.

All visitors are to report to the office upon entry. Please, no congregating in hallways or roaming the building as this is a distraction to teaching and learning as well as a safety concern. If you have items to drop off for your child, please bring them to the office and we will assist you.

If you would like to see the principal or vice principal, making an appointment in advance is appreciated.

Thank you families for all of your support over the last school year - coming out of the pandemic and with welcoming a new administration team to the community.

We looked forward to another school year full of lots of opportunities to help your children learn and grow to their best potential.

We are excited to see everyone in person to kick-off the school year with our “Meet the Teacher” gathering for all students/families in the upper gym at 3:30 pm on Tuesday, September 5th. You will be introduced to the administration team as well as you child’s teacher. You will also be able to navigate the school to find and explore your child’s classroom, where their teacher will provide you with more information on the year’s learning plan.

See you all soon!

Dana Petrzeka (Principal)
Leanne Chernetz (Vice Principal)
