

KEEWATIN PRAIRIE SCHOOL PARENT COUNCIL LUNCH PROGRAM

Our Lunch Program is a not-for-profit service provided to the families at our school by the Keewatin Prairie Parent Association and is available to students who either live too far away or do not have adults at home to supervise during the lunch hour. It is not a volunteer program, and not run by the school.

Lunch Program fees are due on or before the 1st of each month.

1 child- \$35.00, additional children=\$30.00

Fees can be paid in cash or by cheque payable to the Keewatin Prairie Lunch Program. Post dated cheques are welcome. NSF cheques received by the program will be subject to a charge of \$35.00.

Non-payment of fees could result in suspension from the program until fees are brought up to date.

We ask that each child bring his/her own healthy, non heat up lunch. Milk is provided. Please remember that our school promotes healthy choices for lunches and snacks. We ask that chips, candy, or pop not to be brought to school or if so, only on special occasions.

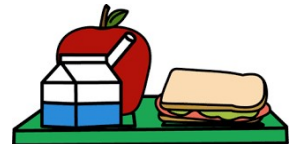

We also ask that you do not send your child (children) with lunches containing peanuts/nuts, hazelnut spread or seafood/fish due to serious allergies in the school.

Your children are supervised during the lunch hour both in the classrooms and on the school playground after their lunch. Attendance is taken daily, and children are not to leave the school grounds during this time. Please phone us if a student(s) will not be attending the program for any longer period of time.

Weather permitting the children leave the classrooms with supervision by 12:30 pm and remain in the school playground until the 12:55 pm bell. Please ensure that your child is properly dressed for the weather conditions. During the colder months, school division policy dictates that students remain in the school during recesses and at lunch time when the wind-chill is -28 degrees or more.

Please sign below that you have reviewed the following expectations with your child(ren.)

1. Listen to and be respectful of the supervisors and lunch helpers when they are speaking to you.
2. Respect fellow students, their belongings and personal space, no hurtful language.
3. Raise my hand if I need assistance (opening lids, etc.) from the supervisor.
4. Sit and stay in my designated seat and use an 'inside voice' when speaking.
5. Clean my area before leaving the room, putting all wrappers and leftovers away.

Students in the program are expected to cooperate with the supervisors and staff. Inappropriate behavior could result in suspension from the program and it will be the parent's responsibility to find alternate arrangements for their child/children for the lunch hour.
