ÉCOLE LAURA SECORD SCHOOL LUNCH PROGRAM INFORMATION CONSENT

The Lunch Program at École Laura Secord School is a parent council run program and requires consent to communicate with the school about your child. The ability to communicate with the school is an essential tool that promotes safety, ease of program delivery, and an enhanced environment for your child.

Providing your consent for the lunch program and the school to communicate allows such things as being able to obtain current contact numbers if your child is sick or needing to reach you at lunch. It also allows the school to provide the lunch program with class lists, thus enabling your child to have more recess (and less organizational time) at the start of each school year as children are grouped with their respective classrooms.

I request that, and give permission for École Laura Secord School to release and exchange information to the Lunch Program about my child(ren):
