

King Edward Community School

March 2024 Newsletter

Dear King Edward Families,

It is hard to believe that winter is almost behind us!

February was such an exciting month at the school. We welcomed MLA Mr. Brar and Sigmund Brouwer an author and story teller for I love to Read Month. Students also participated in guessing the daily Mystery Reader. To honor Black History Month, student leadership shared the biographies of famous black Canadians during morning announcements. Lunch clubs have been busy with soccer, intramurals, recorder club, student leadership and basketball.

We are excited to begin the ribbon shirt and skirt making circle with families and students this month. Families will learn the teaching surrounding ribbon shirts and ribbon skirts in Indigenous cultures and engage in the hands-on process of designing and creating their own unique piece.

This year Winnipeg School Division will have a consistent 'division-wide' opening date for school registrations ~ this means that we are open for registrations for the 2024/25 school year on February 26th. If you have a child at home, born in 2019 or 2020 or know someone in the community that has a little one, please have them call Alvina and Joy.

Lastly, reminder to follow us on Instagram! Our account is @kingedwardwsd. We are posting pictures and videos of all the incredible learning experiences at King Edward School.

Exciting News From Our Classrooms

Room 129

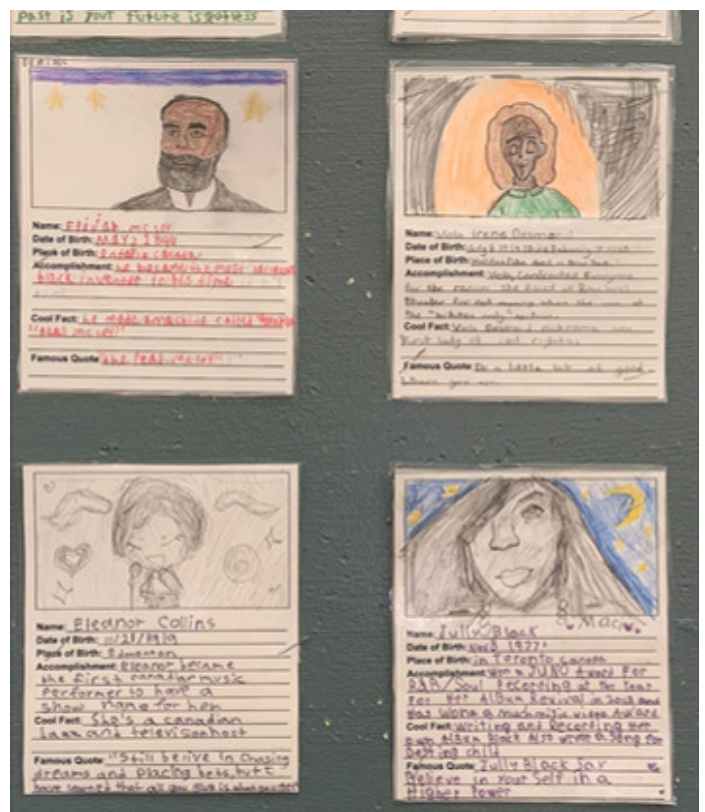

We are currently incubating 12 chicken eggs. We started the project on February 13th, and we are expecting they will start hatching on March 4th.

Room 210

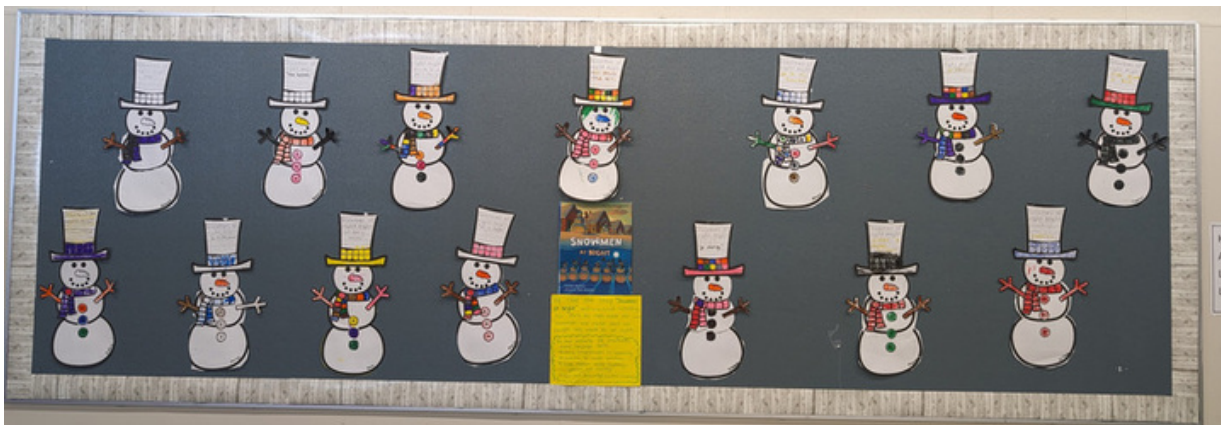

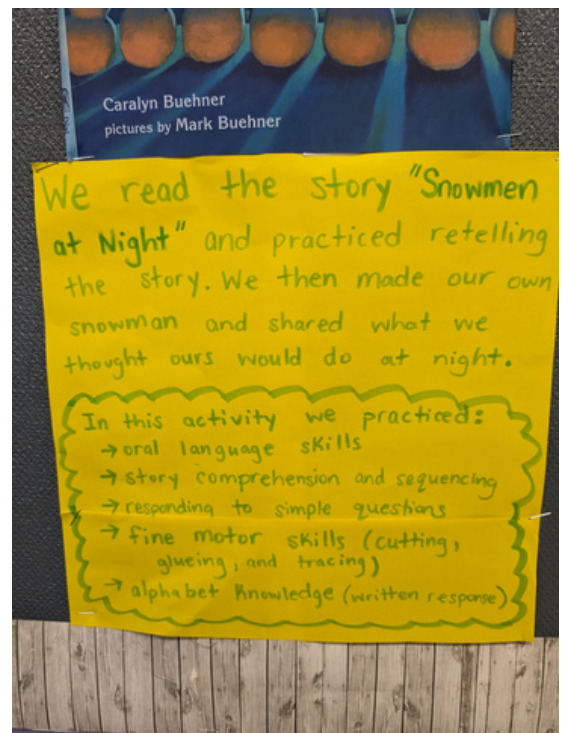

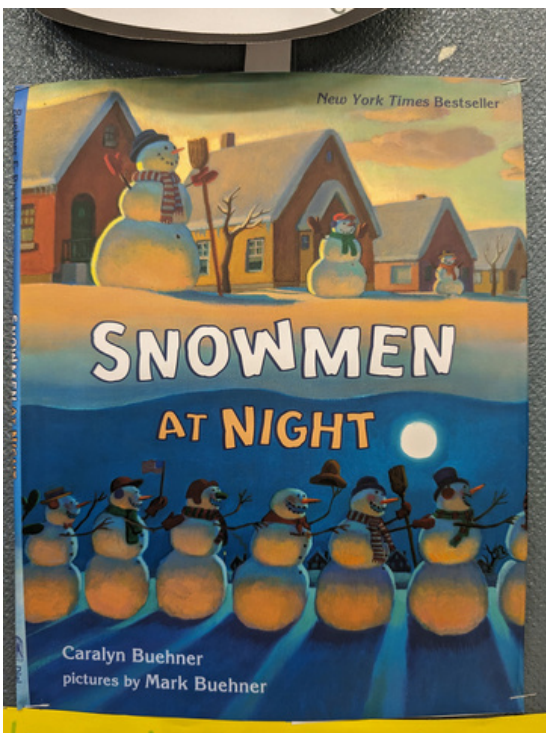

We celebrated Black History Month by discussing several notable Black Canadians and their accomplishments. We demonstrated what we learned by creating trading cards. We also celebrated Black History month by learning about the art of Alma Thomas. We explored how she created her art and then used her art as inspiration for our own artwork. This project also involved exploring how to use acrylic paint.
