Concours Oratoire

The Concours oratoire will take place on **March 10th** in the **Music Room** during the morning. This event is a valuable opportunity for **French Immersion students in Grades 4 to 8** to demonstrate their French-speaking skills in front of an audience that includes parents and guardians.

Tuesday,
March 10th

Mobile Vision

Our school will be hosting the Mobile Vision Clinic on **March 12th**. This is an opportunity for students to have their vision checked by an optometrist and provide them with glasses, if needed. Forms have been sent home, if you need another please reach out to your child's teacher or Mrs. Doiron.

Thursday,
March 12th

Parent Advisory Council

Want to get involved with your child's school? Join Parent Advisory Council (PAC) today! Please check the school website for meeting dates and times.

If you are interested in volunteering for PAC or for a specific PAC initiative, please contact the Secretary of our PAC by email: egvsparentcouncil@gmail.com

Thank you to everyone who attended our family craft night last month. It was wonderful to see so many smiling faces, and families spending meaningful time together within the school. Your participation helps make our school community special. We look forward to our next event, stay tuned!

Monday,
March 16th
@ 6:30 pm

Science Fair

The Science Fair is based on scientific concepts that students will explore and demonstrate through hands-on experiments and presentations.

Students are free to choose science topics that best showcase their interests and abilities. The event will be held in the **gymnasium**.

A specific schedule will be setting for the morning for **Grades 7 and 8**, as these students will be representing **George V School** at the **Divisional Science Fair** on **March 24**. In the afternoon, students from **Grades 4 to 8** will present their work to the entire school community, as well as parents and guardians

Spring Break!

March 30th - April 3rd

Grade 4/5 Art Club

Starting on **Tuesday, March 3rd** Miss Taylor and Ms. Marquis will be running an arts and crafts club for **grades 4 and 5** from **12:30-1:00** on **Tuesdays** in **room 203**. Please see the calendar below for scheduled dates.

Students will come to room 203 after they have eaten their lunches in their classrooms. Students must be independent to participate in arts & crafts club activities. We will be creating art using a variety of methods to grow our creativity and love of arts and crafts.

Due to high interest in this club, students will be divided into two groups. Each group will participate for three weeks at a time before switching with the other group. This rotation will continue throughout the program.

Festival Du Voyageur Highlights

Our grade 4-8 French Immersion students recently traded their desks for the great outdoors as we journeyed back in time at Festival du Voyageur! It was a day filled with vibrant culture, history, and plenty of winter spirit. The park was alive with the sounds of traditional French-Canadian music, and it didn't take long for our group to get moving with some spirited jigging and dancing in La maison Chaboillez. Between the lively tunes and the impressive snow sculptures, it was a wonderful day of "Joie de vivre" that brought our local history to life.

Highlights of the Day:

- **La Tire d'érable:** Students learned the art of pouring hot maple syrup onto fresh snow to create delicious, chewy maple taffy.
- **La Bastringue:** Students learned a jig which involves dancing in a circle and spinning with a partner.
- **Outdoor Activities:** Students had many options to pick from including: tubing down the hill, sliding down hills, cross country skiing, ring toss, magnet fishing, and many more!

A huge thank you to all the parent volunteers and staff! Hého!

This trip was made possible thanks to the French Second Language Revitalization Grant and our transportation is funded through the RBC Volunteers Grant from our PAC run Book Fair back in November.

Mr. Melnyk's Phys Ed. Update

February was filled with fun and engaging activities, giving students opportunities to explore the **Festival du Voyageur** and the **Winter Olympics**. As we move into March, our extremely popular floor hockey intramurals will be wrapping up, and we'll be launching **Badminton Club—Tuesdays** for **Grade 5** students and **Thursdays** for **Grade 6** students. Activities for our **Grade 7/8** students will continue on **Tuesdays** and **Thursdays** during the **noon hour**.

Grade 5/6 ICBL basketball will also continue throughout March, with games scheduled for **March 9th** and **March 12th** at the Sport for Life Centre. As always, please remember to send your child(ren) with appropriate footwear, and a change of clothing is recommended—especially for older grades.

Please continue to check our school website for community activity opportunities and to stay up to date with Grade 7/8 Elmwood sports schedules.
