REPORT TO PARENTS

More information regarding Tec-Voc happenings can be found at www.tecvoc.ca or on X at @tecvocwpg.

STUDENTS TURNING 18 YEARS OF AGE

Parents are reminded that once a student turns 18, we require a waiver signed by the student to enable us to provide information to parents regarding the learning of the student. Waivers are mailed home the month before the student turns 18. Please talk to your child about this requirement before their 18th birthday.

SAFE ARRIVAL

To enhance our existing absence-checking procedure, Tec-Voc is using a student absence reporting system called Safe Arrival. Safe Arrival will make it easy for you to report your child's absence. Parents/Guardians are asked to report their child(rens) absence in advance using any of these 3 methods:

- Using your cell phone, download and install the SchoolMessenger app from the Apple Store or the Google Play Store (or from the links at <https://go.schoolmessenger.ca>). The first time you use the app, select Sign Up to create your account. Select Attendance then Report an Absence.
- Use the SafeArrival website, <https://go.schoolmessenger.ca>. The first time you use the website, select Sign Up to create your account. Select Attendance then Report an Absence.
- Call the toll-free number 1-855-278-4513 to report an absence using the automated phone system.

These options are available 24 hours/day, 7 days a week. Future absences can be reported at any time.

REGISTER FOR THE FILIPINO BILINGUAL PROGRAM AT MEADOWS WEST SCHOOL

We are accepting registrations for September 2026 for NEW students to Meadows West Filipino Bilingual Program.

Filipino Bilingual Programming (Kindergarten to Grade 4) offered at Meadows West School, a dual-track language school, is a program that allows students of Filipino descent, as well as non-Filipino students, the opportunity to speak, read and write in Filipino, while following mandated provincial curriculum.

WINNIPEG SCHOOL DIVISION

OUR SCHOOL COMMUNITY

Mabuhay! Welcome to the Filipino Bilingual Program at Meadows West School.

We are located in the northwest quadrant of Winnipeg, and we are proud to be the home of the Filipino Bilingual Program in Winnipeg School Division.

Meadows West School provides rich, rigorous and fun learning opportunities for all our students through experiential learning and STEAM (Science, Technology, Engineering, Arts and Math).

We also provide several opportunities to participate in the Arts and Athletics. We aim to develop Global Competencies in all our learners to become individuals with a strong sense of citizenship, connection to oneself, creativity, communication and collaboration, and critical thinking.

We look forward to being a part of your child's learning journey.

OUR PROGRAM

The Filipino bilingual program at Meadows West School invites our community to appreciate and embrace Filipino culture by learning, sharing, connecting and celebrating.

The Filipino program offers opportunities to explore:

- Filipino language (reading, writing, and speaking)
- History
- Cultural Identity through story, song and dance.
- Cultural traditions

BENEFITS OF THE PROGRAM

Academic Programming

The program is based on the Manitoba Education Curriculum using best practices. Play based, inquiry learning, STEAM and collaboration are all part of the bilingual educational experience.

Language Acquisition and Competence

Students develop the ability to speak, read, and write in Filipino. Being proficient in a second language provides confidence, communication skills, and the ability to connect with their community which is a valuable asset.

Culture/Heritage Identity

Students take pride in learning about their cultural heritage, traditions and values. This can foster deeper relationships with grandparents, relatives and friends using their heritage language.

Community Connections

We value community connections in fostering a supportive and inclusive learning environment for all students.

PARENT REFLECTIONS

"Choosing to relocate to a different country signifies a potential loss of one's identity. So, when we stumbled upon the Filipino Bilingual Program, we were like "Why Not?" We happily signed up our kids and it was a game changer! :) The program has had a profound impact on both our children and our family, aiding them in embracing their true Filipino identity. Fortunately, adapting to our new life in the foreign country was a relatively smooth process because of the sense of belonging this program shared with us. It brought us joy to witness our children gaining insights into the richness of Filipino culture from an early age through this program."

- Guardian A

"The Filipino Bilingual Program was the best decision we have made for our son. He enjoys learning the language and it helps him maintain his connection with his cultural roots. This program will also help him communicate with family members who primarily speak Filipino, and as an interracial family, the program extends into our household. We are learning along with him."

- Guardian B

Learners in the Meadows West community are valued. We strive for a safe environment that celebrates diversity, nurtures personal growth, and contributes to Mother Earth.
