# A Message From Ms. Manness...

With nicer weather and longer days, we're always excited for March!

Our Student-Led Conferences are coming up soon, and we invite you to celebrate the progress your child(ren) have made since September. This is a wonderful opportunity to ask questions, reflect on learning, and set goals for the next term. Teachers will be reaching out to schedule an appointment at your convenience. This year, we will also be serving dinner on the Thursday, March 13th evening and hosting a Family Resource Night in the gym. More information can be found below.

Students have had a busy month engaging in activities like I Love to Read, Black History Month, and Valentine's Day celebrations. A big thank you to everyone who helped organize these events and to all the students who participated!

Enjoy the rest of the month, the end of our Manitoba winter, and the upcoming Spring Break!

# I Love to Read

## FUN

The "I Love to Read" festivities at Carpathia School were a blast, with guest readers captivating everyone with their engaging stories. The reading riddles added a playful challenge, sparking laughter and excitement among students and staff alike. And during the "Stop, Drop, and Read" moments, everyone took a break to enjoy their favorite books, making it a day filled with fun and joy for all!

# FAMILY RESOURCE NIGHT

*March* 13th, 2025 • 4:00 - 6:00 PM • Carpathia Gymnasium

Join us for a Family Resource Night on the evening of March 13, coinciding with Student Led Conferences! This event will feature booths with a variety of community supports, including Families Forward, Sara Riel, Winnipeg Harvest, Tuxedo Resource Center, and more. It's a great opportunity to learn about valuable resources available to you and your family. Plus, dinner will be provided (beef stew, bannock and salad)! We look forward to seeing you there—come on down and connect with us!

## Room 141 - Nursery

Our nursery program is a perfect mix of fun and learning! Our students are growing academically and socially through play-based activities like art, music, and dramatic play. They're building motor skills, making new friends, and learning how to communicate and work together—all while having a blast! It's a wonderful way to get ready for the next big step in their educational journey!
