Lunch Program Registration Dates

Dear Parents/Guardians:

The Tyndall Park Lunch Program would love to have your child/ren join us here for lunch for the school year 2024-2025. In order to better prepare ourselves, the lunch program is asking **all families with a remaining balance still owing for the current school year to have all fees paid in full by Thursday, April 18, 2024**. We need to know where we sit financially so we can move forward with staffing and scheduling.

We have two **early registration dates** for you to attend in person.

The first date is: **Tuesday, April 23, 2024 3:30 to 6:30 p.m.**

The second date is: **Thursday, May 23, 2024 5:00 to 8:00 p.m.**

It brings me pleasure to announce that the Lunch Program fee for 2024-2025 school year will remain the same for the students of Tyndall Park Community School.

Student enrollment into the Lunch Program for 2024-2025 will only be accepted after registration is completed and paid in full.

Payment options are:

- 1) **E-transfer** or **cash**, one payment made for full amount of **\$260**, or
- 2) by **cheque**, with one cheque written for full amount of **\$260** or 10 individual cheques in the amount of **\$26**, post-dated for the first of each month.

Cheques should be made payable to Tyndall Park Lunch Program. E-transfers will not be accepted for the monthly payment option.

Families will have until **Friday, June 14, 2024** to register your child/ren for the next school year. After June 14th, anyone registering for the Lunch Program will be charged a **\$25.00 late fee**.

Thank you for your timely response.

Mrs. Sikora
Lunch Program Supervisor

Registrations for September 2024-2025

We are now accepting registrations for ALL grades for September 2024-2025! Hurry to get your registration in for next school year!

If you are a resident of the Winnipeg School Division:

***NURSERY/KINDERGARTEN PROGRAM (No Fee):** There are several forms that you will need to fill out as well as various documents you will need to provide (Please see checklist on our school website)

***GRADE 1-GRADE 6 (No Fee):** Same as above

If you are NOT a resident of the Winnipeg School Division:

***NURSERY PROGRAM (FEE):** You will be required to fill out several forms and provide documentation as well as pay the fee of \$5700.00 (subject to change) for the school year

***KINDERGARTEN-GRADE 6 (No Fee):** You will need to fill out the forms and provide the documentation as well as fill out a Non-Resident Form

ALL REGISTRATIONS ARE BASED ON APPROVAL BY PRINCIPAL

If your child attends Tyndall Park School:

***NURSERY-GRADE 5:** Students will be automatically preregistered for next year at the same school

If your child will be changing schools:

Please inform the office immediately if you are planning on changing schools. You will need to fill out registration forms at the forwarding school. Students in Grade 6 will have received forms from Stanley Knowles School in the Spring.

If you have any questions regarding registration for Tyndall Park School, please call the office at 204-633-0065 or visit the WSD1/Tyndall Park School websites for more information.

DON'T HESITATE TO GET YOUR REGISTRATION IN TO ENSURE YOUR CHILD STARTS ON THE FIRST DAY OF SCHOOL!

Wiggle, Giggle, & Ggle Munch

A time for parents and children to have fun together through active play, games, songs & a healthy snack.

All parents and their children, ages 1-4 years old, are invited to this drop-in program.

Wiggle, Giggle & Munch is being offered at:

Location: TYNDALL PARK SCHOOL

Day and Time: FRIDAYS AT 1:15 PM-3:15PM

Dates: MAY 3, 17, 24, 31 JUNE 7, 21

The program is free and includes free babysitting for infants.
For more information, call and leave a message at

Before & After Program Registration

Will your child be starting in Grade 1-6 next year and you are needing Before & After School care for your child? Just a friendly reminder that the school does not provide supervision of students before 8:45am or after 3:30pm.

If you are interested in Before & After care for your child next year you will need to add your child to the waitlist. Please follow these instructions in order to do that.

HOW TO ADD YOUR CHILD TO THE YMCA/YWCA BEFORE & AFTER PROGRAM

- Go to www.ywinnipeg.ca
- Click the downward arrow in the top right hand corner of the page beside 'CHILD CARE'
- Under "Locations & Waitlist" click "Get on the waitlist"
- Scroll down that page and fill in the required information

If you have any questions regarding registration, please call 431-999-1600

Solar Eclipse Learning

It was an exciting moment on Monday, April 8th for all of us to experience and learn about the solar eclipse! An event of that scale won't happen again until August 1, 2045! Students of the Winnipeg School Division stayed inside for the afternoon in order to ensure their safety. Although, they were unable to actually see the eclipse, a lot of learning was taking place in the classrooms about what a solar eclipse is and how it works. It was a great opportunity for students to learn about how the Earth revolves and its relationship with the sun and moon. Students in grade 2 created some amazing artwork of what the eclipse would look like. While others were able to view the eclipse using the classroom smartboards.

Grade 6 Drama Production

This year's drama production was improvisation which students love to perform and audiences love to watch! Past productions are always met with rave reviews and this year was no different. Students have been working hard all year to perfect their acting skills and work out their stage jitters to bring us another exciting performance! A silver collection was taken at the door and this year \$115.00 was raised to go towards the United Way and Drama Club. A HUGE thank you goes to Mrs. Klassen, who runs the drama club every year and enthusiastically motivates her students and brings out the hidden talents within them. We also want to thank our three, grade 5 stage managers and staff members for all their help to ensure the drama goes smoothly. Thank you to all the parents/guardians/family who came out to support the drama and cheer students on. Your support goes a long way in building students' confidence on stage and contributing to the productions' success. And finally, we wish to thank our 19 grade 6 students who dedicated themselves and showed up to all the practices, rehearsals, and lunch time club sessions to bring this wonderful improv show to you! Bravo!

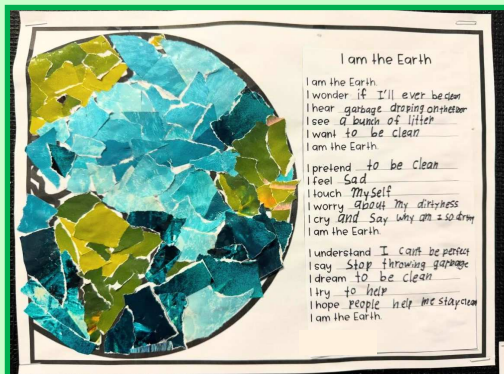

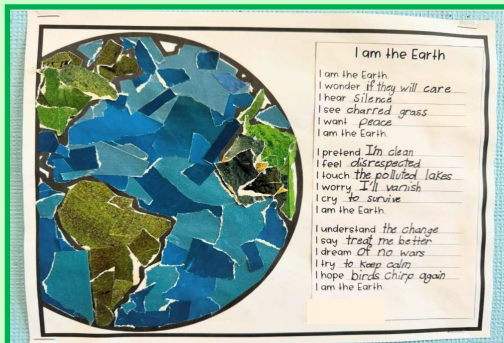

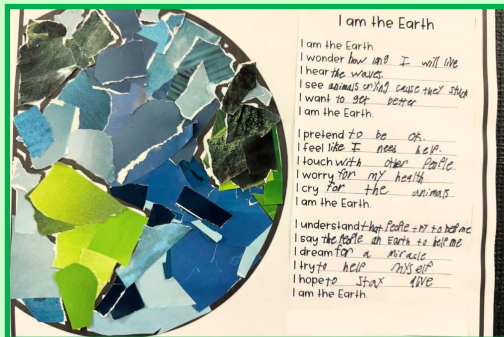

**THE CAST AND CREW
ENJOYING PIZZA LUNCH
TO CELEBRATE THEIR
HARD WORK!**

EARTH DAY POETRY IN P3

There was a lot going on April 22nd for Earth Day! Each class participated in different lessons that tied in to the message of Earth Day. On top of that the entire school grabbed gloves and bags and headed outside for a school yard cleanup! Check out the amazing poetry and artwork that P3 created in honour of Earth Day!

CAMP DAYS

Thanks to a very generous donour, all students in grades 1-6 will be going to Camp Manitou for a one day camp experience! Students who attended last year's Camp Manitou had an awesome time! The day was filled with so many fun activities like archery, campfire, rock-climbing and more.

Grades 5-6 will be going on May 21

Grades 3-4 will be going on May 23

Grades 1-2 will be going on May 27

This will be a fun-filled day for students and we hope they will all be able to attend. Students will be returning to the school before the end of the day dismissal. More information will be coming home soon with your child as well as permission slips. There is no cost to you but the permission forms do need to be handed in for your child to go.

!HOT LUNCH!

Thank you to all those students who participated in Hot Lunch Day. We were able to raise a total of \$807.58, that will go towards Smartboard leasing. Our next Hot Lunch Day will be May 28th. Order forms will be out on the 16th and due on the 22nd. There will be no late orders accepted after that date. Please ensure your child has their order in on time if they wish to participate.

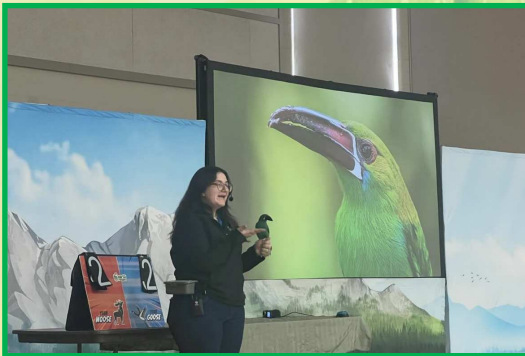

Earth Rangers Visit With Friends

We were thrilled to have the Earth Rangers stop by Tyndall Park School on April 8th and showcase some amazing animals! Earth Rangers focuses on environmental and conservation issues and strives to educate students and encourage them to take actions that protect the environment and animals that share the planet with us.

The Earth Rangers brought with them some Animal Ambassadors for the students to learn about and understand the importance of leading an eco-friendly lifestyle. The show included a very cool hologram and information about an app that students can download to learn more about the Earth Rangers mission and Project 2050.

After the assembly, our Vice-Principal, Mr. Erichsen, who is also an enthusiastic, outdoors person, visited classrooms and taught some how to do a moose call!

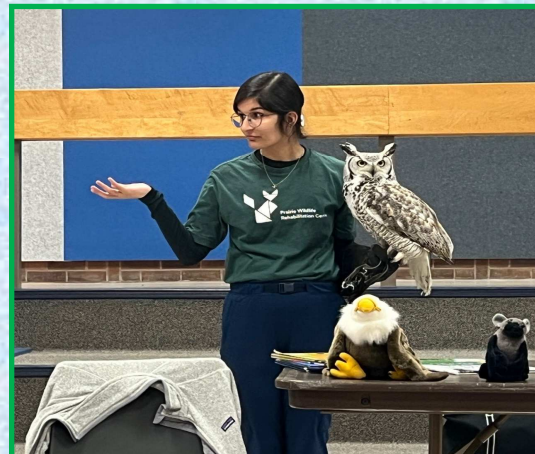

Prairie Wildlife Rehabilitation Centre Visits!

Wow! Tyndall Park School has been fortunate to have so many wildlife visitors this month! Students have been learning about conservation and the environment leading up to Earth Day on April 22nd when the students participated in a school yard clean-up. On April 18th, students in grade 2 had an awesome visit from Julia who is with Prairie Wildlife Rehabilitation Centre, who did a presentation with a couple of amazing critters. Mukki, a Great Horned Owl was born in 2019 and due to injuries that he suffered while a fledging, he could not be released into the wild and now works as an ambassador for the centre. Students were mesmerized by his size and beauty.

Who's under the cover?

Mukki!

The students got to learn about the next ambassador, Nagini, a tiny, Corn Snake, who was purchased in 2023 and now educates students about Manitoba snakes and how incredible they are! His favourite things are hiding and sleeping under the heat lamp!

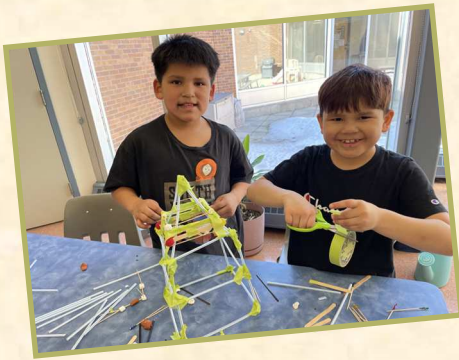

Creating Structures in Grade 3

The grade 3 students in room 20 & 21 have been busy creating structures with many different kinds of materials as one of their final activities for their structure unit in science.

Their structures were then tested to see if they could withstand different types of forces: wind (hair dryer), and an earthquake (shaking a blanket).

Students had a blast!

MAKE!

BREAK?

QUAKE!

Roots of Empathy Program

Roots of Empathy

Our Little Teacher in our Roots of Empathy, Baby Nova, has grown a lot over the spring break! On the previous visit, students shared an important thing about themselves and witnessed Nova being fed by her mom. Guess what? Nova got to try lemon , too!

Programming in the Welcome Room

Tyndall Park School continues to offer programming to parents and families in the community.

Newcomer and immigrant parents and other community members gather on Thursday mornings for the English Conversation Club. They practice their skills in English while getting to know more about life in Canada.

We also have the Wiggle, Giggle, and Munch for parents/care providers and their children from age 1-4 on Fridays. Participants enjoy playing and learning together. They get to connect with other families in the community, too. Healthy snacks are also provided to all participants.

Coming up is the online Women's Wellness group where participants will talk about healthy relationships, managing emotions, and more. They also get to do easy and fun crafts.
