REPORT TO PARENTS

More information regarding Tec-Voc happenings can be found at www.tecvoc.ca or on X at @tecvocwpg.

STUDENTS TURNING 18 YEARS OF AGE

Parents are reminded that once a student turns 18, we require a waiver signed by the student to enable us to provide information to parents regarding the learning of the student. Waivers are mailed home the month before the student turns 18. Please talk to your child about this requirement before their 18th birthday.

SAFE ARRIVAL

To enhance our existing absence-checking procedure, Tec-Voc is using a student absence reporting system called Safe Arrival. Safe Arrival will make it easy for you to report your child's absence. Parents/Guardians are asked to report their child(rens) absence in advance using any of these 3 methods:

- Using your cell phone, download and install the SchoolMessenger app from the Apple Store or the Google Play Store (or from the links at <https://go.schoolmessenger.ca>). The first time you use the app, select Sign Up to create your account. Select Attendance then Report an Absence.
- Use the SafeArrival website, <https://go.schoolmessenger.ca>. The first time you use the website, select Sign Up to create your account. Select Attendance then Report an Absence.
- Call the toll-free number 1-855-278-4513 to report an absence using the automated phone system.

These options are available 24 hours/day, 7 days a week. Future absences can be reported at any time.
