**C'est moi!**

- This is my third year at ÉSWO, a kind and welcoming community!
- I collaborate and teach with all staff to support students' academic and social-emotional learning.
- I facilitate the Roots of Empathy program and other volunteer opportunities.
- I coordinate services with our families, school team, WSD clinicians and divisional support staff.
- I am a Master's student at Université de Saint-Boniface, researching student belonging in French Immersion program.
