

# MEET YOUR TEACHER

## BIENVENUE À LA SALLE !!

Hello! My name is Amanda Toews, and this is my 6th year of teaching! I have been at École Sir William Osler for five years now. I taught Music, Makerspace and Library in my first two years, and moved on to the classroom three years ago. This will be my fourth year teaching students at the grade 5 level. My goal as a classroom teacher is to create a fun and welcoming environment for your child to be a part of and to generate excitement for speaking and learning the French language.
