# **Grad News Update - Term One!**

The Ecole Kelvin High School Class of 2025 is running a great fundraiser this November selling assorted delicious Sipology products. The website is already open and will be open until the end of November. Monies raised will go towards extras such as decor, photobooth, keepsakes and other grad committee-chosen items as they arise. The Sipology fundraising program offers delicious loose-leaf teas in several tasty varieties, a tasty hot chocolate mix and an assortment of tea accessories. It is starting to get chilly outside, and these products are guaranteed to warm you up! They also make great gifts and stocking stuffers!

There are prizes for the top sellers, so if you wish to support a specific graduating student make sure you know their seller ID number (they will be able to find it on the Grad Google Classroom in the Sipology Fundraiser post).

Orders should be placed online by following the link below: Class of 2025 Sipology Fundraiser Link

All orders will be shipped directly to your home for a low flat rate of \$3 – this will speed up the delivery of your order (no waiting – orders are mailed out as soon as you pay!) and will allow for sharing the link with friends and family across Canada so anyone can support, even friends and family who aren't in Winnipeg!

## **Grad Wear Available**

The class of 2025 official Grad Wear store is open now until Nov 6th – this cut off allows for orders to be at the school before winter break!

Here is the link to the store: Kelvin Class of 2025 Grad Wear Store

### **Volunteers Needed**

In January we will be putting out a call for parent volunteers for Safegrad, especially a chairperson for the event. Please think it over and watch for further information – the Safegrad won't happen without parent organizers and many hands make light work!

## **Post Secondary & Scholarships**

The guidance department has also set up a google classroom that contains important information and updates regarding Post-Secondary Options and Scholarships. Parents and students are encouraged to join: **ewotbas**
