NEWSLETTER

NOVEMBER 2023

Parents/Guardians,

It has been a very busy start to the school year but a really positive one for our wonderful students. With a few staff changes, we were able to manage getting through the busy days of September and October. We want to take this time and welcome some new members to our Wellington School family:

Ms. Kari Bergmuller – Vice Principal
Ms. Carmela Gray - Head secretary
Ms. Marie Dela Rama – Secretary
Mrs. Aval – Term Grade 1/2 Classroom Teacher

Since opening the doors back in September, Wellington School has been a hopping place for student learning, engagement and connection. We had one of the best family attendance for our Meet the Teacher night. It is always great to see the community in the school help bridge the communication between the school and home and ensure a successful start for all students.

The Terry Fox fundraiser and run went very well this year. The students and staff were able to raise over \$650 through bake sales and friendship bracelets. A huge thank you goes out to Miss Lenhardt Mair for the baking and Mr. Thompson for organizing.

September 29th marked Orange Shirt Day. Wellington School Students learned about the importance of recognizing the experience of those who went to Residential schools. We learned to honour those individuals and understand that we must show a collective commitment to ensure that Every Child Matters. Student in each classroom created huge orange shirt posters with their interpretations of what "Every Child Matters" means to them.

Through the diligence and hard work of Ms. Livia Bales, Wellington School and our amazing community held our first Halloween evening school dance in over 3 years. Parents/guardians, families and students dressed up in their favorite costumes and danced the night away. Thank you to all volunteers that helped make this "Spooktacular" event happen.

As we prepare to wind down the first reporting term of the year, report cards will be coming out on November 14. Please be advised that there are some provincially mandated changes happening to the process of student reporting. All marks will now be based on student's achievement of the curricular outcomes of that grade. If you have any further questions or concerns please contact the classroom teacher or Mr. Contreras or Mrs. Bergmuller at the school. As well, do not forget about parent teacher tri-conferences happening November 17 in the evening and all-day November 18.

As the weather turns cooler, please remember that students will be expected to be outside during certain parts of the day (recess, Physical Education, and outdoor education). Please make sure students are dressed appropriately for the cold weather. If students are in need of support, please contact the school and we are more than happy to help with the needs of staying warm.

On November 10, a national nonprofit organization Operation Warm who manufactures brand-new, high-quality coats for children and in partnership with FedEx will be donating a free coat to every student in the school. All students should have received a permission form to take home with a media consent form.

The entire staff at Wellington School would like to thank all our families and the community for their continuous support and kindness. As we navigate through the rest of the year, we wish you all a happy, safe and healthy school year.

Sincerely,

Emil Contreras *Principal*
Kari Bergmuller *Vice Principal*

Family Halloween Dance

LUNCH PROGRAM (Dixie Halladay)

IMPORTANT NOTICE!

We would like to remind parents the fees are due on the **1st of each month.** Please **remember** to pay the fees on time. Failure to do so will result in your child being **removed** from the program. A reminder to lunch program parent - Please let us know in writing when you are allowing your child to go home or to a friend's house for lunch. The safety of your child is our first concern. Students can register for lunch program if parents **work** or go to **school.** Please do not **send your child with warm-ups for lunch.**

We ask parents to please go over the lunchroom rules with your children on a regular basis: Our policy follows School Division guidelines. When a child mis-behaves the first time, a verbal warning will be given. The second time, a written letter will be sent home. Within this letter it will state that your child will be removed from the Lunch Program. Then you will need to make alternate arrangements for your child. In the event of a serious incident - your child WILL BE REMOVED immediately without warning.

We would like to encourage you not to send soda pop or noodles. Nut and seafood allergies among children are becoming increasingly common; therefore we have a NO NUTS & SEAFOOD policy. We have many other allergies as well, children are not allowed to share or exchange their snacks or lunches.

Snacks are available through the Lunch Program! Proceeds will go towards hot lunches, equipment.
Cost is approximately \$1.00 each.

Wellington School
