Mrs. S. Calanza (Food Coordinator)
Ms. N. Jubinville (Food Coordinator)

Dear Parents/Guardians,

It has been a very busy start to the school year but a really positive one for our wonderful students. With the change over of our student profile software to PowerSchool, it's been a time of learning and patience for our staff, and for the community. Thank you for your patience as we continue to navigate through this ne software that also manages our report cards.

Since opening the doors back in September, Wellington School has been a hopping place for student learning, engagement and connection. Through the hard work of Ms. Calanza, Ms. Norie and the support staff of Wellington School, students experienced a Thanksgiving celebration luncheon that was catered Ms. Calanza and Ms. Norie.

Through the diligence and hard work of Ms. Livia Bales, Wellington School and our amazing community was able to hold another successful Halloween evening school dance. Parents/guardians, families and students dressed up in their favorite costumes and danced the night away. Thank you to all volunteers that helped make this "Spooktacular" event happen.

As we prepare to wind down the first reporting term of the year, report cards will be coming out a little later this year as the division navigates the transition to PowerSchool student profile system. Please be advised that there are some provincially and division wide mandated changes happening to the process of student reporting. More information will be communicated at a later date. If you have any further questions or concerns please contact the classroom teacher or Mr. Contreras or Ms. Henderson at the school. However, parent teacher conferences is still happening on November 19 in the evening and the morning of November 20. If you are unable to meet during those times, please reach out to the students' home room teacher.

As the weather turns cooler, please remember that students will be expected to be outside during certain parts of the day (recess, Physical Education, and outdoor education). Please make sure students are dressed appropriately for the cold weather. If students are in need of support, please contact the school and we are more than happy to help with the needs of staying warm.

The entire staff at Wellington School would like to thank all our families and the community for their continuous support and kindness. As we navigate through the rest of the year, we wish you all a happy, safe and healthy school year.

Sincerely,

Emil Contreras, *Principal*

Tara Henderson, *Vice Principal*

FAMILY ROOM NOVEMBER 2026

Welcome to November! As the weather gets colder and the days become shorter, we encourage everyone to dress warmly and prepare for the changing temperatures. Please remember to wear warm coats, hats, gloves, and winter boots as the cold weather approaches.

November is a wonderful time to come together as a family, build connections, and participate in fun and meaningful activities. The Family Room is excited to continue offering opportunities for families to connect, learn, and enjoy time together.

Upcoming events

- **Traditional teaching and pow wow classes start date -** Every Wednesday October 7th ,2026 from 3:30 pm – 5:30 pm. Parents remember to hand registration forms as soon as possible. Students in grade 2 must be accompanied by a parent or adult for every class.

- **Indigenous Gathering Advisory Meeting** — November 4th, 2026, from 5:00 PM to 6:00 PM in the Wellington School Library. Food will be provided.
- **Family Movie Night** — November 19, 2026, from 6:00 PM to 8:00 PM. Registration is required, and the cost is $5 per registration.

Please watch for additional announcements about upcoming Family Room activities and events.

CAMP ASSINIBOIA

By: Mr. J. Claassen

On October 9th, our Grade 5 and 6 students headed out for an unforgettable day of adventure at Camp Assiniboia!

The day was packed with exciting outdoor activities and hands-on experiences. Students tested their aim at archery, challenged themselves on the ropes course, cooked up delicious traditional bannock, and visited with animals at the camp farm. Highlights also included energy-filled games of floor hockey and basketball, along with time spent taking in the stunning autumn views along the Assiniboine River.

A huge thank you to all the staff and parent volunteers whose support made this memorable outdoor experience possible for our students!

News From the Gym

Throughout the month of October, we took part in a wide variety of activities in the gym. Students took part in a wide variety of movement experiences to develop their fundamental movement skills. We also had our first 6 Minute Run and Strengtathlons for our grade 3-6 students. As we move into November, we will be putting our fundamental movement skills to use in new and exciting ways such as Circus Arts, as well as Net/Wall and Zone Games.

Soccer intramurals finished up in October for our grade 3-6 students. Our grade 5 and 6 soccer players had the opportunity to take part in the annual WSD Central Division Soccer Tournament. We had an amazing turnout. Volleyball intramurals will be starting on November 4th for our grade 5 and 6 students. Please make sure to hand in your permission form to Mr. Thomson. Our volleyball players will be heading to Sargent Park School in early December for a tournament against other elementary schools in our area. More information will be sent home to volleyball players closer to the tournament date.

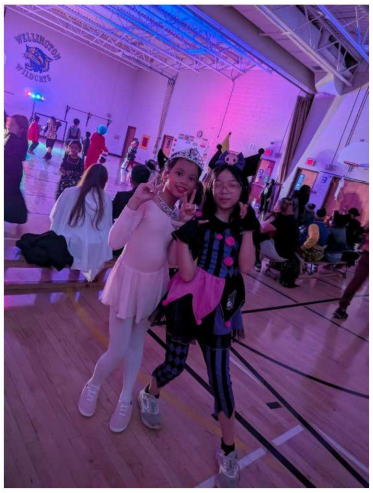

Finally, our Phys Ed Leaders program has started back up and our leaders have been hard at work helping our younger students learn new and exciting games in the gym.

Below are some pictures from our Grade 5 and 6 soccer tournament at Tec Voc! We had a great time!

Moments of Math *at Home*

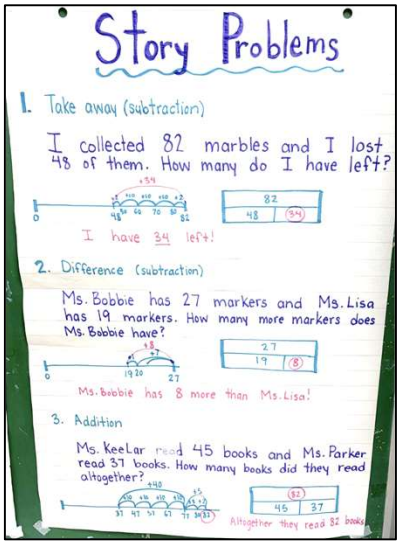

with Ms. Henderson

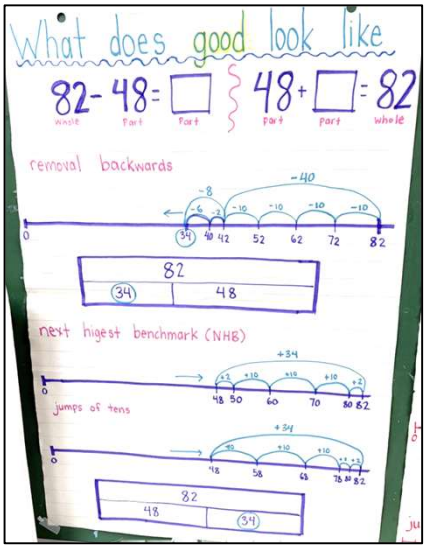

Hi everyone!

We have a school wide focus in math right now and it's SUBTRACTION, because student understanding of subtraction is a high predictor of success in higher level math. It's also harder to understand because it has multiple meanings, so deserves more time and effort. Take a look at these posters from our 1/2 classrooms – they explain the meanings perfectly. They also help students see what they're working towards, or "What Good Looks Like".

And here are some examples of some student work from Ms. Hydrochuk and Ms. Garzia's class – keep up the good work everyone!
