

“The students, staff, and communities of Winnipeg School Division are committed to truth and reconciliation through building relationships with Mother Earth, the original peoples of this land, and the stories that bring us together. We acknowledge the place in which we gather is on Treaty 1 territory, the homeland of the Red River Métis, and the ancestral lands of the Anishinaabe, Ininiwak, and Dakota Oyate peoples.”

November 3, 2023 School Broadcast

Connections

Hello Families, Welcome back to our November Broadcast. It has been a busy October filled with lots of learning and activities to keep us going. We would like to give a shout out to the Parent Council for their commitment to support families by providing opportunities for community members to connect. They have been active in promoting school merchandise, planning fundraisers and most recently a very successful Halloween Dance with over 200 people in attendance. In addition they have expanded the MWPA Council to include more parents on the board. Connecting home and school is the best way to continue our ongoing partnership together. We will continue to build upon this in the months and years to come.

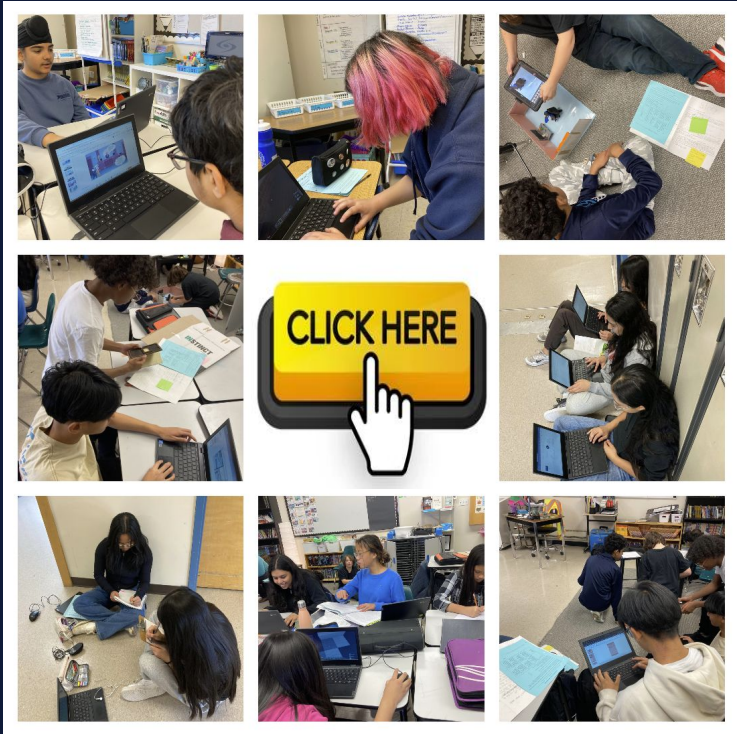

We look forward to sharing your child's progress with you November 16th evening and during the day on the 17th. The "School Interviews" booking link will be sent to you on Monday.

Wishing you a safe weekend,

Wayne Wyke
Principal

Paul Ong
Vice-Principal

Learning @Meadows

Grade 8's have been working on a short story unit in ELA. They are using multiple modalities to publish their final product, giving them choice and creativity. Some are publishing their stories using minecraft, animation, slideshows, comic strips, etc. We cannot wait to see the published work of our students when they share it next week!

At Meadows West, we provide opportunities for students to engage in STEAM (Science, Technology, Engineering, Arts and Math) and explore their curiosities in a fun and engaging way, while developing global competencies such as communication, critical thinking, creativity, and collaboration

Our grade 5s had the opportunity to work on coding this week! It required critical thinking, problem solving, communication and collaboration for them to get their robots grooving! 🤖

Check out our Grade 7's Minecraft pumpkin 🎃 carvings and the Halloween parade by our Codey Rocky Robots 🤖

Halloween @Meadows

Click the photos to see highlights of this year's Halloween at Meadows West School.

We thank our Student Leaders for their engagement in making the haunted hallway, and for their help in the Halloween Day Dance.

We would like to thank our dedicated Parent Advisory Council who put a Halloween Dance for the community.

Book Fair @Meadows

Please join us for this exciting event! Our school library is hosting an in-school Book Fair **Thursday**, November 16th from 3:30 - 8:00 pm & **Friday**, November 17th from 9:00 am - Noon. There are over 450 items to choose from including books, posters, and speciality items (kits, bookmarks, pens, journals, etc.)

REMEMBER! Every purchase earns valuable Book Fair Rewards which are redeemed for books and resources to support our amazing students!

Hope to see you There!
