NOVEMBER

TYNDALL PARK VOTES!

Students in grades 5 & 6 got the opportunity to cast their vote for the best candidate for the Tyndall Park riding on October 2nd (a day before the provincial election). Candidates for the area were: NDP Kelly Legaspi, Liberal MLA Cindy Lamoureux and PC Chris Santos. Room P3 organized the voting polls and ensured that votes were cast secretly. The results were revealed after the provincial election results were tallied on October 3rd and by a 64% in-class vote, Liberal MLA Cindy Lamoureux won the majority vote! It seems our grade 5 & 6 students have good intuition! We also offer our congratulations to Ms. Lamoureux for being re-elected and the **only** Liberal to maintain her seat!

NEED WINTER GEAR?

Koats for Kids has been helping kids stay warm throughout the winter. If your children require winter jackets and boots, please reach out to their teacher or call (204) 633-0065 and ask for Marni.

We will place the order on your behalf and let you know once the items have arrived.

GRADE SIX SOCCER TOURNAMENT

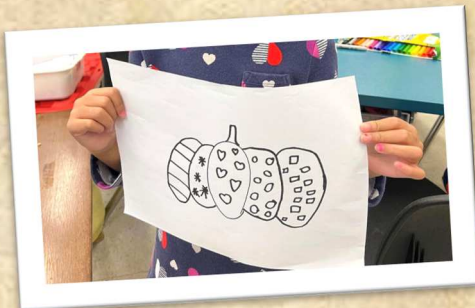

Tyndall Park School once again hosted the grade six soccer tournament. Despite the rainy weather, the event was still a go in the school gym. The tournament took place over three days in early October with our Tyndall Park students participating on day one. WSD schools, Garden Grove, Faraday, and Meadows West also participated. Scores were not kept as it was mostly a tournament of fun and friendly competition and helped to develop student soccer skills and experience participating in team sports against outside teams. As always, we thank the coaches from all visiting tournament schools and our very own coaches, Ms. Dow, Ms. Basaraba and Mrs. McKelvey for all their time and hard work!

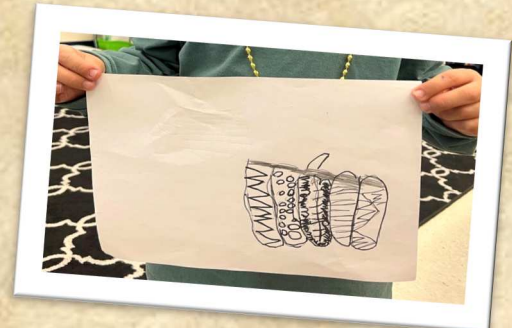

INVESTIGATING PUMPKINS IN GRADE 2

WHAT'S INSIDE THE PUMPKIN?

**LET'S
DRAW
OUR
OWN!**

GRADE 5 & 6 DANCE CLUB

Dance club had their first thrilling performance at our Halloween assembly! Students in grades 5 & 6 Dance group performed the iconic, "Thriller" by Michael Jackson. They were incredible and took the dance party to the next level!

We will continue to meet on Mondays at 12:00pm in the pit. We are looking forward to the next performance!

SMUDGING CLUB

CREATING and LEARNING ABOUT MEDICINE POUCHES IN SMUDGING CLUB

SPOOKY OCTOBER IN P1

P1 really enjoyed the spooky month of October! The students let their imaginations run wild and published a book of free verse poetry. Powerful word choice and scary plot twists make the book of creepy poems a must-read, look for it in a backpack near you! For our 'Novel Study', we've been reading the horror book, 'Small Spaces', by Kathrine Arden and taking on roles as speakers for Literature Circles.

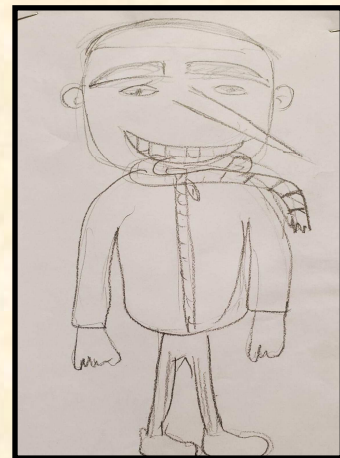

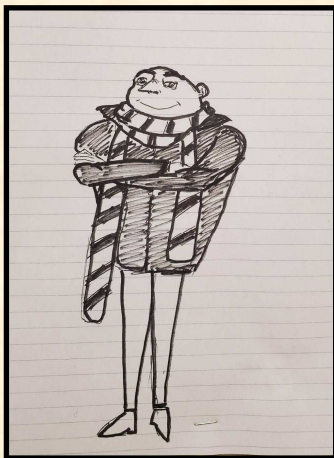

DESCRIPTIVE WRITING IN ROOM 4

Students in room 4 are working on describing characters. They wrote a description for a famous, movie character and challenged Tyndall Park staff and students to guess who it was. This was the description:

"In walked in Mr. _____. Although he was kind of grumpy, he had the widest smile full of pearly white teeth. He had a long torso with legs thin as sticks. His big bushy eyebrows made it look like he had no forehead. His long pointy nose could be seen from outer space. His hairless head shined. He often wore his black zipper jacket with a long black and gray striped scarf around his neck. Mr. ____ looked like he had a plan."

These were a few of the submissions received:

Who do you think this might be?

ROOTS OF EMPATHY

The 'Roots of Empathy' program has been so much fun! The program helps students develop empathy through guided observations of an infant's development and emotions. Students in room 21 have had another visit from volunteer Mom and baby Nova. Students got to see how much Nova has grown and changed from last month and see how much more she has learned! Thanks to Ms. Huma and Nova for allowing the students to be a part of this exciting year for all!

MORE PUMPKIN INVESTIGATIONS IN ROOM 4

Room 4 worked on different concepts in math through a pumpkin exploration. Each table group was given their own pumpkin. Students had to estimate and measure the height (standard and non-standard unit of measurement), weight, circumference, number of seeds and lines on the outside. They then voted on choosing a design so they could paint their pumpkins.

HOW MUCH
DOES A
PUMPKIN
WEIGH? AND
WHAT'S IS
THAT INSIDE!

AND MORE PUMPKIN INVESTIGATIONS IN ROOM 6

Pumpkins have been very popular during the month of October and for good reason! There is so much to learn and explore about this autumnal gourd! Room 6 has also been investigating the pumpkin and discovering all kinds of facts about the pumpkin!

OUR AWESOME PATROL SQUADS!

Thank you to our awesome patrol squads! They have been demonstrating true leadership skills and are great role models in the school! Patrols are on duty for approximately 10-15 minutes at 8:40am, 12pm, 12:40pm and 3:30pm. As the cold weather approaches, remember not to send your child to school before patrols are on duty as the road conditions worsen and patrols are in place to cross your child safely. When the wind chill gets too low, we implement a one-time crossing procedure. Students gather inside the school with the adult crossing guard they normally cross with, and everyone proceeds to the crosswalks together. This ensures that no one is out for a lengthy time in the extreme cold. Please talk to your child about the one time cross and how it is important they do not delay in meeting up with the adult crossing guards. For more information on the WSD weather protocols, please see the WSD FAQs or in our September newsletter, available on our website under the Community & Family tab. We thank you for your support in helping us keep everyone safe!

GRADE 5 & 6 DRAMA CLUB

Tyndall Park Drama Clubs are back in session! The Grade 5 and Grade 6 Drama Clubs are in full swing! Grade 6 students are preparing and training for their production in April, while Grade 5 students continue their learning. A few Grade 5 students will have the opportunity to become Stage Managers for the Grade 6 production. Stay tuned for more details! Mrs. Klassen says BRAVO!

SCHOLASTIC BOOK FAIR

YOU'RE INVITED TO OUR FAMILY EVENT

Dates/Time: **NOVEMBER 30TH 1PM-7PM**

Place: **TYNDALL PARK SCHOOL LIBRARY**

Interact/credit card machine will
be available. Cash or card only.
Cheques will not be accepted.

Cover Your Cough and Sneeze

- Cover your mouth and nose using your upper sleeve or elbow.

OR

- Cover your mouth and nose with a tissue.
- Throw used tissue in the garbage.
- Wash your hands with soap and water. If soap and water are not available, hand sanitizer can be used.

What You Can Do to Fight the Flu

1. Cover your coughs and sneezes.

2. Wash your hands a lot.

3. Get a flu shot.

4. Stay home and call your doctor if you are sick.

5. Go to the doctor or hospital right away if you get worse or have trouble breathing.

For more information about the flu, call Health Links-Info Santé at 788-8200 or 1-888-315-9257.

DRESSING UP FOR COLD WEATHER

Thick Sweater
With a hood to keep your head warm.

TIP: Adding layers will help keep you warm as the temperature drops.

Winter Accessories

HAT
For your head and ears

SCARF
For your neck and face

GLOVES
Insulated-water-proof Would be ideal

TIP: During extreme cold, keep all skin covered and spend as little time as possible outside.

Winter Boots

Water-proof footwear will keep your feet dry, with good grip for when walking on snowy or icy paths.

Light Jacket

Wind-resistant would be ideal.

TIP: For extra warmth, wear extra undergarments (like tights and thicker socks.).

Winter Jacket

Thick outerwear to keep out wind and wet snow-longer length would be ideal.

Brought to you by Winnipeg School Division's Intercultural Support Workers

HAND HYGIENE

USING SOAP AND WATER

Use in all situations where soap and water are available

- Rinse hands with warm running water, add soap to palms and rub hands together to create lather
- Thoroughly cover all the surfaces of your hands and fingers (including nails) for 15 to 20 seconds
- Rinse under warm running water
- Dry hands thoroughly with single-use towel or hand dryer
- Turn off the tap with a clean paper towel

USING AN ALCOHOL-BASED HAND RUB

Use when soap and water are NOT available, except if hands are visibly soiled

- Take a small amount of alcohol-based hand rub (about the size of a nickel)
- Rub it on your fingertips, both sides of your hands and between your fingers
- Continue to rub until your hands are dry
- There is no need to rinse or dry

Warning: The product is flammable when wet so ensure your hands are dry before performing another task.
