

A row of seven autumn leaves hanging from a thin, light-colored string against a plain, light background. The leaves show a progression of colors from left to right: a green leaf, a yellow-green leaf, a bright yellow leaf, a yellow-orange leaf, an orange leaf, a red-orange leaf, and a deep red leaf. The leaves are slightly overlapping and have a natural, slightly textured appearance.

November Newsletter

A Message From Mrs. Manness

As we step into November, fall is in full swing! We hope everyone had a wonderful time celebrating Halloween and Thanksgiving in October! Although the weather has been cooperating with us, colder days ahead, so please remember to dress children warmly; if temperatures drop to -27 (with or without windchill), students will stay indoors for recess.

Teachers are hard at work preparing report cards, which will be sent home electronically on November 19. Our Parent-Teacher-Student Conferences are scheduled for Thursday, November 21 from 3:30 to 8:00 pm and Friday, November 22 from 9:00 to 12:00 pm. Teachers will provide more details on signing up for a conference time soon.

We are looking forward to another fun month of learning. Enjoy the beautiful autumn days and stay safe!

MEET OUR CARPATHIA STUDENT COUNCIL

The Carpathia student council for grades 3-6 gives students a chance to develop leadership skills and make a positive impact in their school community. Council members represent their classmates, share ideas, and help organize events like assemblies and spirit days. They learn teamwork, responsibility, and communication, which builds confidence and encourages active involvement in school life. Overall, the council plays a key role in creating a positive school culture and fostering student voices.

THE DOWNIE WENJACK LEGACY COMMUNITY WALK....

On Friday, October 24, the students in Rooms 137 and 139 participated in a Community Walk in memory of Chanie Wenjack. As part of our commitment to the Downie Wenjack Legacy, we were learning about Chanie Wenjack and Residential Schools during Secret Path Week, October 17 to 22. Our Act of Reconciliation, walking the path that Chanie walked, took us to Academy Road. We visited the site of the Assiniboia Residential School Memorial at 621 Academy Road. The Memorial consists of 28 markers, in the colours and shape of the medicine wheel, that name 83 Indigenous Communities, as well as paving stones carved with the names of all the students who attended the Assiniboia Residential School. We also visited the location of the school, that is still standing at 615 Academy Road.

2024 - 2025 School Patrols

Our dedicated school patrols work tirelessly to ensure every student's safety, guiding them through busy areas and keeping a watchful eye on their well-being. Thank you to these committed students for their service and the positive impact they make daily!

Introducing Our Grade 5 & 6 Recess Leaders...

Thank you to our first ever **Recess Leader** group! These dedicated students volunteer their recess time to promote active, inclusive play during recess. They hand out equipment like balls, jump ropes, and other sports gear to their fellow students. Additionally, they lead organized games to help everyone feel included and encourage friendly interaction. Recess leaders also foster a positive environment where all students can have fun and develop social skills. Thank you Recess Leaders!

Join Us For Our Remembrance Day Service

NOVEMBER 8, 2024, AT 10:00

IN THE GYMNASIUM
