

## École Laura Secord School Nursery/Kindergarten Supply List 2023/2024

For the 2023/2024 school year the nursery/kindergarten teachers will be collecting **\$30.00** to purchase student supplies instead of providing a supply list. The supplies will be purchased in bulk several times during the school year. Buying school supplies in bulk allows us to buy quality supplies at reasonable prices.

These funds will also be used for classroom activities and special projects.

In addition each child will need to bring:

- ☉ A **large backpack** which will be used daily to carry notices and your child's classroom work.
- ☉ **Running Shoes** (one pair) for the classroom and for physical education. These will be kept at school all year (preferably shoes with velcro fasteners). Please consider the ease with which your child can put on and take off their own shoes as we change our shoes several times a day.
- ☉ A **nutritious daily snack** (fruit/vegetables suggested)  
\* Reminder: no nuts, nut products, or fish/shellfish.

Please be sure to label, with your child's name clearly marked, all belongings and clothing that may stay in school, for example: change of clothing, hoodies, gloves, as well as your child's backpack, lunch bag for snack and running shoes.

Thank you.
